The Ed is away in Thailand this week, no doubt drinking himself blind on Sang Thip (the local chemical whisky) and visiting dodgy massage parlours. So the job of introducing the latest Club has fallen to me, Patsy Jones.

To get myself in the right frame of mind for my impending editorship, I spent the weekend in bed with a limitless supply of champagne, a king-sized anatomically perfect dildo and every back issue of Club I could get my sticky little paws on. After much quaffing and 27 screaming orgasms, I was ready – knackered, cantankerous and rat-arsed drunk. I had also developed the lung capacity and vocal cords necessary for reasoned, polite conversational intercourse (oo-er!), à la the guvnor, with Club's various freelancers. Hell, I even taught myself to give a shit when my tube of Jolly Ranchers went AWOL (I only realised where they'd disappeared to when I found myself sucking on the aforementioned dildo). Ah, well, we all make mistakes...

Anyway, sparing you the customary crappy Yuletide innuendos, I'll just wish you a good 'un on behalf of myself, the rest of the people at Club and indeed the gals who get 'em off for you this month – they'll have your ding dongs merrily on high in no time. (Oh bugger...) – **Patsy**

WATER PAIR!

If any of your readers are worried about what to buy their family for Christmas, what about this well-endowed hot-water bottle? Called 'Hot In Bed', the superbly stacked bottle was, I am told, designed by a Parisian sculptor as both a genuine hot water bottle and witty piece of art. What do you reckon? – *MH*

I reckon it's excellent! Just looking at a picture of the bodacious bottle makes me want to fondle its hot handfuls. No wonder it's got a pearl necklace! I don't know if I'd call it a work of art but I'd be well pleased to get one of these in my bed this winter. Club's little helper, Nikki, even went to the trouble of finding out where everyone can get one. They're available by mail order from Barclay and Bodie, 7 & 9 Blenheim Terrace, London NW8. Wet dreams!

BANG

Club Vol 25 No 10 featured a fetish of a girlie on a Space Hopper. Please could you make me one happy reader by featuring my particular fetish – balloons. Could you please show one of your lovely girls bursting balloons with her fingers or bottom, high heels or a pin? – *Greg, West Midlands*

Now, I'm a broad-minded person. I've seen lots of far-fetched fetishes and thought, 'Oh well, different strokes for different blokes'. But balloon bursting I've never quite got to grips with. What the fuck is so sexy about seeing a beautiful bird banging balloons? Anyway, we'll see what we can do, Greg, but don't hold your breath – our girls like to play with balls not balloons.

CELEBRITY SQUARE

I note that you are running lots of photographs of famous people in the nude. I think that this is a good idea, provided that the photos are taken in public. Photos from early films and so on are okay with me too. But even the famous are entitled to privacy. So I hope you won't publish photos that were taken without the subject's consent in a private place, such as sunbathing on a yacht. – TM, London

Whoops! We've already done that. Point taken though, TM, but what the hell am I going to do with the pictures of Elle Macpherson having sex on the back of a boat that I was going to put in the next issue? Guess I'll just have to take them home and enjoy them myself...

GOLF BOAR

I've just returned from a golfing holiday in Zimbabwe. The courses are beautiful: the fairways are perfect, the greens are like mirrors, and I even got to play a round with Pumba out of the *Lion King*! – *Viv, Kensington*

MAN OF THE MONTH

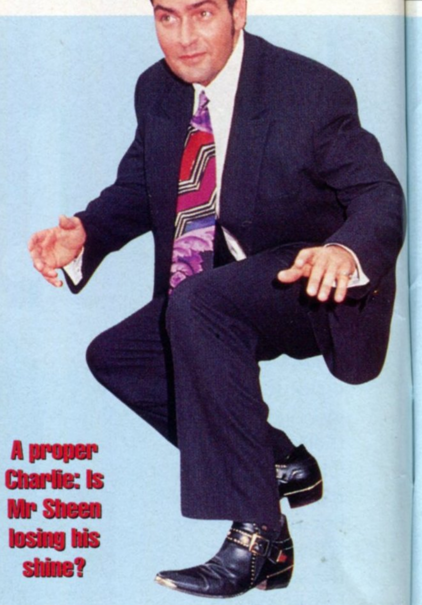
CHARLIE SHEEN

YOU'RE A rich, young film star with a critically acclaimed movie behind you and what looks to be a glittering career ahead – what's your next move? Undertake another film that should cement your reputation as one of the hottest actors to come out of Hollywood? Nah. How about directing or producing films? No thanks. What about giving a big 'v-sign' to the film industry and going on a massive fucking bender instead? That's more like it!

Back in 1987, riding high on the success of his starring role in *Platoon*, it looked as though Charlie Sheen would surpass the legendary excesses of his father, Martin (who suffered two heart attacks, a nervous breakdown and was almost carted off in the meat wagon, all before he hit 40).

He'd set up home with a girl he first spotted in a hardcore porn film – Ginger Lynn Allen – and was constantly seen lurching out of nightclubs looking like he'd been dragged through a hedge backwards, and then some. Life was one big party. And it lasted for two years!

He squeezed in a couple



A proper Charlie: Is Mr Sheen losing his shine?

GYM SLIP

My name is Annabel, I'm 22 years old and I loved reading Tracey and Caroline's letter in Club Vol 25 No 9. It really encouraged me to write in to you about a close friend of mine who has opened my eyes to a very fulfilling and enjoyable sex life.

I've known Michelle, who is 23, full-figured and very sexy, since college and I also know she is a lesbian. I've always wanted to know a bit more, and recently my curiosity spilled over into my first encounter with another woman. Here's what happened...

Michelle and I have been going to the same fitness centre for a year now. Last Friday morning we met up for a quick swim and then headed into the sauna. Michelle seemed to be in a very buoyant mood and I asked why. She told me she'd just started seeing a new girlfriend and that the sex was incredible. She began to get very graphic, detailing exactly what they did together in bed.

As Michelle sat opposite me, I couldn't help but build up a mental picture of another girl between her legs, feasting on her muff. I felt a surge of excitement, my head began to spin and I could feel my nipples stiffening to little points.

"You're getting turned on, aren't you, you dirty dyke?!" laughed Michelle and before I knew what was happening she had moved across beside me and was kissing my face and neck. I could feel the warmth of her skin against mine and I gasped as I felt her stroking my boobs and down to my pubes. Not even for a moment did I think of stopping her. The feeling of being with another girl was too exciting to spoil with sensible thoughts about my sexuality.

By now Michelle's hand had snaked its way deep down between my legs and I panted as I felt her insistent fingers exploring the top of my slit. I even parted my legs enough to let Michelle know that I wanted her fingers up my hole. There was something so naughty about what we were doing that I wanted to be dirtier than I'd ever been before. I spread my legs as wide as I could, exposing my soft pussy lips to her fingers, to her tongue. I wanted her fingers in my bum too. I wanted to be taken in the dirtiest lesbian ways, and I wanted to do the same to her. I started pawing excitedly at my friend's body, unsure of exactly what I was doing but more than happy to learn.

Michelle then dropped to her knees and eased apart my legs. As I looked down to see her between my thighs, Michelle smiled, "I've always wanted to do this," she said. I'd known that since the moment I met her, but I never thought I'd be holding her by the back of her head and pulling her mouth to my pussy, desperate to let her do what she wanted to me.

Her fingers eased apart my pussy lips and I almost fainted as I felt her tongue push its way inside the entrance to my sticky hole. I grasped onto Michelle's hair, grinding my pussy into her face.

Her tongueing soon had

SEASONAL REMINDER

CALENDAR GIRL

A TRADITIONAL stocking-filler at Christmas has always been the calendar, usually a crap collection of out-of-focus shots that has you wondering if Stevie Wonder has stopped playing the piano and picked up the camera.

You could have knocked us down with a flea's fart, though, when we set eyes on this calendar from Kylie Minogue's not-so-little sister, Danni. Strewth, what have they been putting in the water in Oz?

Shot in the Nevada desert, Danni's clothes drop off quicker than the audience at a Simply Red concert and prove beyond all doubt that when it comes to breast size in the Minogue clan, we couldn't give a XXXX for Kylie. (*Well, I could – The Ed.*) ♣

of films, but you got the impression his mind was on other things – like shagging, boozing and clubbing. A couple of years ago, Sheen even stood up in a LA court and proudly admitted he had blown over fifty grand on high-class hookers – for his mates. What a boy!

Sadly, after his court admission he denounced all his wayward habits and married his girlfriend. Last year, however, he was reported to be much enamoured with our very own Jenna Jameson (see page 70) and was reportedly pestering her for date.

So, is Charlie about to go off the rails again? And if so, can we all come along this time? ♣

GIRLS 'N' CIGS

"Can we see some beautiful girls puffing on cigs?" asked 40-a-day man John from Glasgow last month. No problem, mate, but how the fuck do you manage 40 wanks a day?

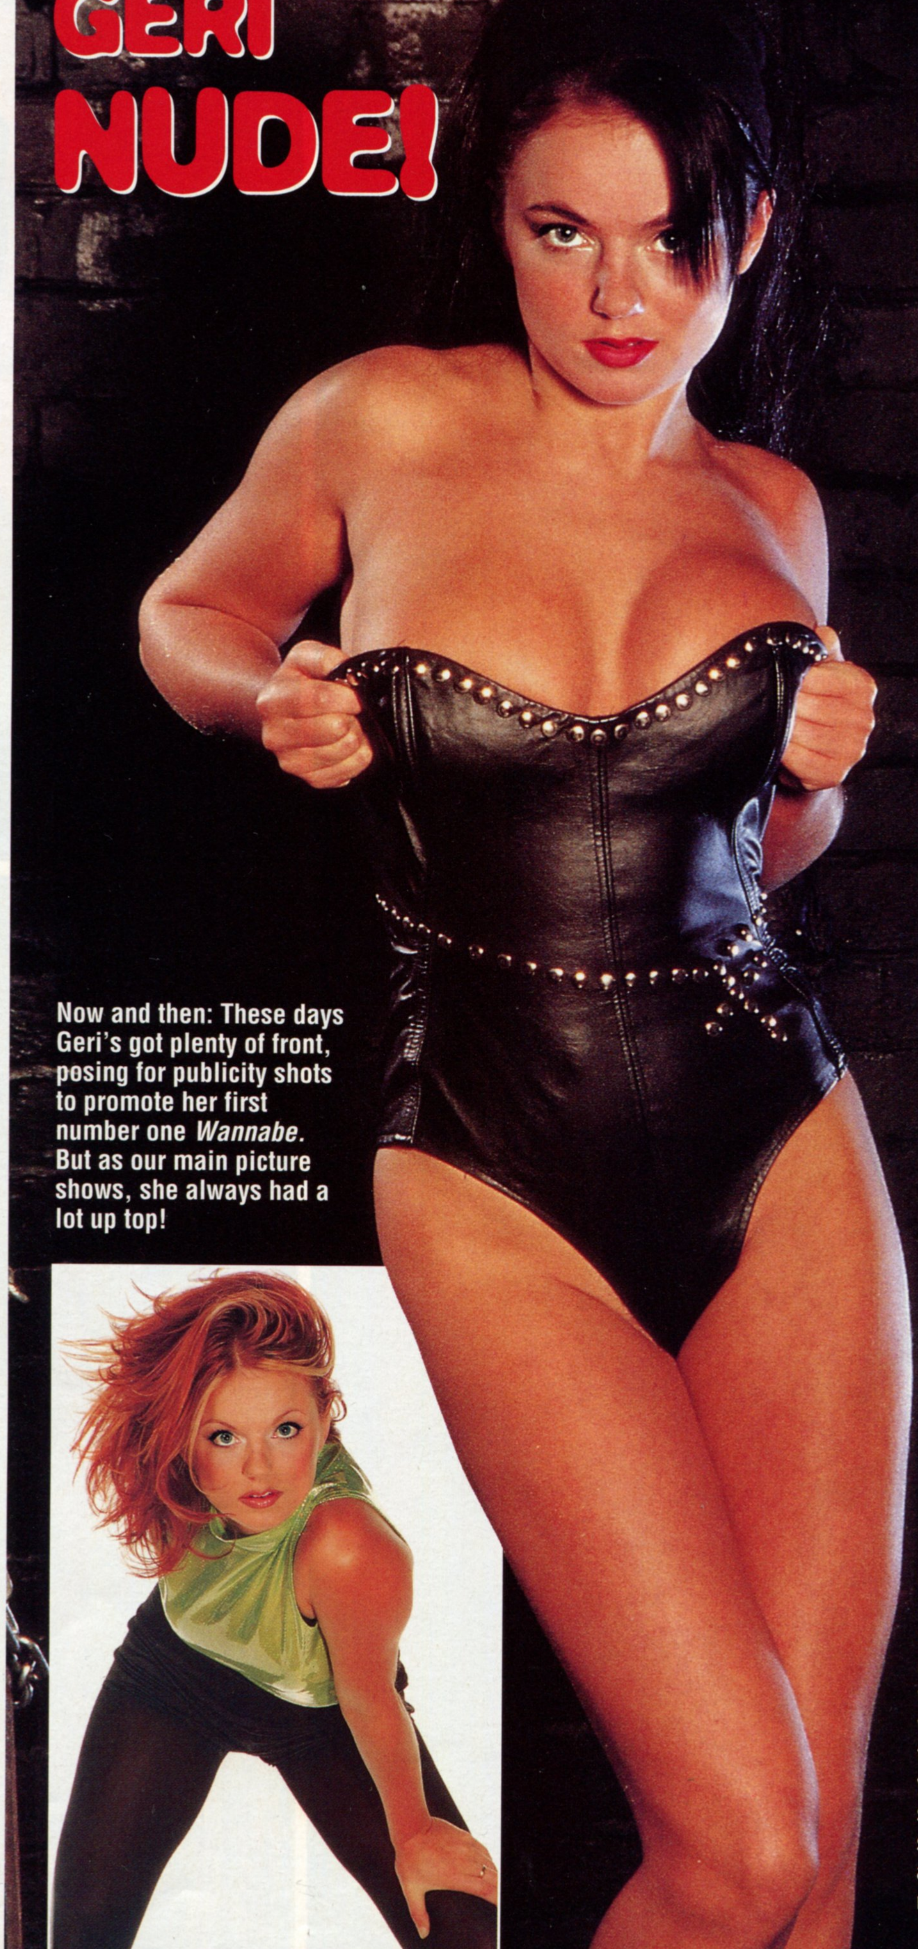
"You really think smoking twenty Marlboro a day will make my tits bigger?"

"Really! Does it look like I've got a chest problem?"

"Oh come on, a girl's got to suck on something..."

We'll tell you what we got, what we really really got...

SPICE GIRL GERI NUDE!



Now and then: These days Geri's got plenty of front, posing for publicity shots to promote her first number one *Wannabe.* But as our main picture shows, she always had a lot up top!

Gorgeous Spice Girl* Geri Halliwell stormed to the top of the charts twice this year, but Club can reveal that her biggest hits were released over three years ago!

In the days before the 22-year-old star dyed her hair bright red and sang on catchy smash hits like *Say You'll Be There*, what did our Geri really, really wannabe? A nude model, of course, flashing her rather large melons, chewy bum cheeks and neatly trimmed pussy! So, being a go-for-it kinda girl, Geri got off her smooth, round bottom and contacted a professional photographer who agreed to take these pictures of the sexy singer in various states of undress for her modelling portfolio.

"She was chatty and relaxed and didn't bat an eyelid about stripping," recalls the lucky snapper, who reckons she would have been as rude as you like if he hadn't wanted to keep the pics arty. Fool.

Anyway, Geri, if you ever feel like taking a break from being a top pop star and being a Club girl for a while give us a call. We're not at all arty and we really wanna see you again!

* For those of you who have better things to do on a Friday night than watch *Top of the Pops*, The Spice Girls are five seriously sexy birds who started off as friends who went out clubbing together and became this year's biggest dance group; a sort of Take That in mini-skirts – or, in Geri's case, in a raunchy rubber basque and no knickers. ♣

Nice 'n' Spicy: These pics prove that Geri's the hottest Spice Girl!

BJORK'S NORKS!

IF YOU thought that the only tasty thing about Bjork Gudmundsdottir was the right hook that she landed on *that* reporter at Bangkok airport earlier this year, think again. The pixie-faced space case may be as dotty as 101 dalmations, but whilst on a recent holiday in Israel she displayed the kind of nellies that would be easier to get your tongue around than her surname!

The kooky singer from Iceland has also confessed that she likes to perform on stage without any underwear. "I sang on *Top of the Pops* without my knickers," she confessed. "It was okay though – no-one could see up my skirt." Chance would be a fine thing, our Ms Gudmun.. whatever. ♣

Nice Cube: Off comes the cossie...

... and we're violently happy

CELEBRITY EXCLUSIVE!

HOW TO PULL...

NAOMI CAMPBELL

She's a rich, beautiful supermodel who doesn't get out of bed for less than ten grand. But don't let that stop you from chatting up Supermodel Naomi...

Talk: Naomi is one of the most famous women in the world and has travelled the globe, so you'll have to steer the conversation away from the mundane realities of ordinary life. She won't be interested in who Grant from *EastEnders* is shagging, or whether Somerfield has smoked bacon on special offer this week. This is a woman who has dated a string of rich, glamorous partners: Robert De Niro, Sylvester Stallone, U2's Adam Clayton to name but a few. Tell her how fascinating you found her novel, *Black Swan*, and recite passages from the book. She didn't write it herself, so she'll never know if you're making it all up... **Where to go:** Preferably wine and dine her on your yacht moored in the Antibes. A Chinese takeaway in a bedsit in Acton you share with three of your student mates will not impress a lady of Naomi's class. Alternatively you could suggest eating out at Naomi's own Fashion Cafe which has opened in London – just don't make a fuss about the small portions... **Humour:** Remind her of the time she went arse over tit on the catwalk and how funny you found it. When you get a swift knee in the groin, we'll slide in and take over from there. ♣

Nicolette has her feet back on the ground after displaying her prowess for rock-climbing in the last issue of Club. "I got a real taste for excitement and danger," admits the 19-year-old from Brighton. "The adrenaline rush was almost like a sexual high. The nearest I've come to it was when I brought another girl and her oyfriend back to my room on campus at college. "There I was tongueing this girl's pretty cunt, while she sucked on her oyfriend's prick! I was so turned on I nearly fainted! Who needs to climb mountains, when you can get that high in bed?!" ♣

YEAH, I COULD DO THAT!

THE BOUNCER

Violent, misanthropic, steroid-ridden psychopaths – or gentle giants? Either way, it can't be that difficult standing on a door, can it?

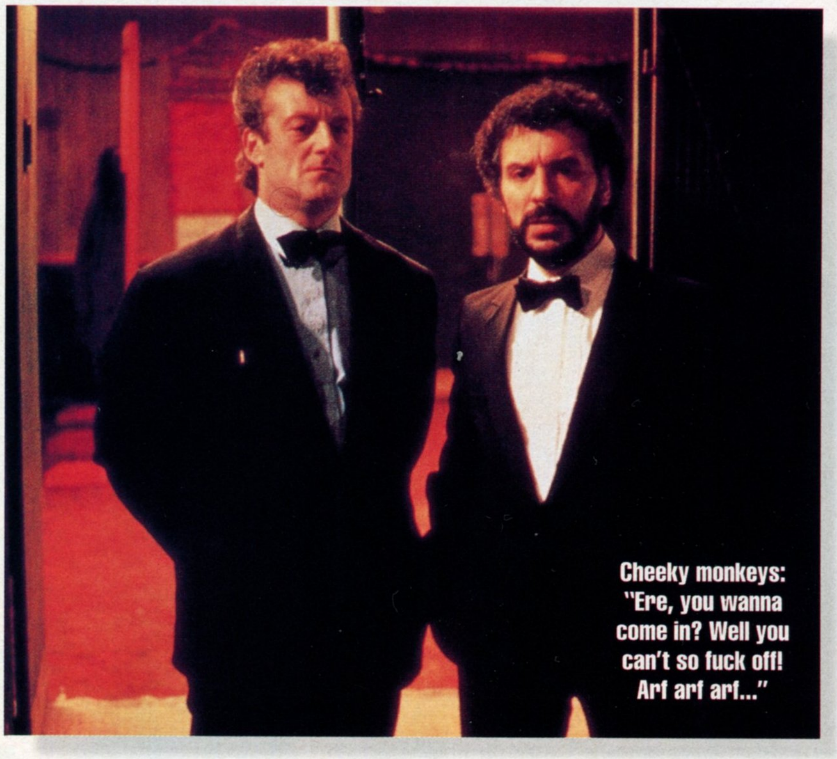
What training do I need?
You get it at the school of hard knocks, mate. You've probably been a bully since school and fancy making money by beating the shit out of people considerably smaller than you.

How big do I have to be?
As big as the proverbial shithouse, or you might end up with the kind of face that looks as if it's been used to stop trucks. Being large will also help you survive drive-by shooting from low-grade criminals you had to eject earlier on in the evening.

What are the benefits?
You get to hit people, bar people and let all your mates jump the queue. You'll also get to wear a fancy radio-controlled microphone headset that will make you look like Howard Jones.

What do I do if a fight starts at the bar?
Get the 'body' out of the bar before they have a chance to throw a table or beer glass at you. Then get them eyeballing the pavement as you explain in graphic detail exactly what you're going to do to them.

Sounds exciting...
Depends. Some nights you'll be freezing your arse off, it'll be pissing down with rain and you'll be wishing you were in front of the telly with the Cindy Crawford exercise video on TV and a four-pack of lager by your side instead. Other nights you may well face gun-wielding maniacs: a few years ago five doormen at the Hacienda in Manchester received bullet wounds after an irate punter turned up outside the club and sprayed the foyer with automatic machine gun fire. But, hell, that's still not as bad as dealing with the cunts on Student Night.



Cheeky monkeys: "Ere, you wanna come in? Well you can't so fuck off! Arf arf arf..."

Favourite expressions?
'How many of you are there?', 'How old are you?', or 'Sorry, no trainers lads'. Humour is not considered a requisite qualification when it comes to selecting bouncers. Which should come as no surprise.

What do I wear?
Dinner suit and bow tie, although it can vary. Sometimes the bouncers look as shit as the punters.

Popular with the women?
Enormously. Women love bouncers. You're smart, fit, sober, and able to let them skip the queue. You'll never see a bouncer with an ugly bird or, in fact, with the same one a week later. A recent survey of bouncers in London discovered that 80% of them had sexual relations at the end of their shift. With girls too!

Drugs?
You do not tolerate anyone selling illicit substances in the club under any circumstances whatsoever. Unless, of course, they've cut you in for a healthy slice of the profits, naturally. ♣

WHAT YOU GET

PAY: Can vary anywhere between £5-£20 an hour depending on what they pay you...

PERKS: Free (soft) drinks and bar snacks. Admittance to the club – although all you'll do is walk around in your bow tie and suit scowling at people and making them intensely paranoid just as their E's are beginning to kick in. You'll also get the opportunity to talk to loads of women, and in big cities and posh places you'll get to meet the big stars. Like Bobby Davro.

GIRLS: Loads of them, even if you look like the lovechild of Tony Adams and Daffy Duck

NICKNAMES: Bruiser, Killer, Nutter, Beefy, Pyscho, Cunt

COMPROMISING POSITION OF THE MONTH

"Darling, this isn't what you think it is. I was just trying to help"

SAUSAGE SANDWICH

What bloke hasn't got caught in this position at some time in his life as a result of a perfectly innocent situation? It could happen to anyone...

WHILE STROLLING down the street, you stumble across a couple of girls who, while constructing scale models of aircraft in an unbearably hot room (hence their lack of clothing), were unfortunate enough to get their arms Super Glued together. Under these circumstances birds tend to get very frightened, start to cry and fall over. So, being a gent, you volunteer to help them out of their predicament. Of course, there isn't quite enough room for you to get in between them in your clothes, so you are forced to strip first. At this point, your arms are very likely to get glued to the girl in front of you, and as a result, your only option is to try and lever yourself out by slipping your cock into her minge to act as a fulcrum. Your mouth may also get glued to one of her nipples as you try to gain extra purchase. Despite your brave efforts, it is likely that a doctor will have to attend the scene to separate you with a bucket of cold water. And to think, your bird gets the hump when she finds you in this position! Women eh, they never understand. ♣

me spasming as she flicked across my hard clit and sucked my first lesbian orgasm from my hot pussy.

I cried out as my orgasm took hold, my body shaking with pleasure. I ground my pussy onto her face, coating her mouth with my juices as she lapped up as much as she could.

I felt guilty at letting myself be so easily seduced by Michelle, I never even considered that I might have lesbian tendencies, let alone act on them.

Nothing has been said about the events of last Friday, but I'm supposed to be meeting up with Michelle tomorrow. I'm hoping that she'll let me return the compliment and teach me to do some dirty things to her too... – *Annabel, Croydon*

BRIEF ENCOUNTER

When I saw your competition in Club Vol 25 No 7 to win a pair of Linda's panties, it brought back memories of a girl called Louisa that I met last May.

I met Louisa in a bar in town. We hit it off straight away, and within a few hours of meeting we were on our way back to her place. Once we got inside her flat, she led me through to the living-room and told me to sit down on the couch. I watched wide-eyed as she started to take off her clothes, revealing her full, firm boobs and a shapely arse. She was wearing a set of matching black underwear – although that didn't stay on for long!

She unclipped her bra and threw it to the floor, then ran her hands down over her hips and pulled her knickers down over her ankles to reveal a closely-shaven cunt. She had a terrific body and had absolutely no qualms about showing it off. "You like my body?" she asked.

"It's beautiful," I told her. She walked towards me and dropped to her knees, then pulled down my zip whilst fixing me with a grin. "What have we here?" she giggled.

My cock sprung out and she wrapped her fingers around my shaft and held it firmly. I watched as she moved her mouth onto it, her lips clamping around my bell-end. Her head bobbed in my lap as she gave me the blow-job of a lifetime, coating my shaft in her

"I love getting naked with Linda," Gabby tells us. "She's got such a lush body and she gives the most amazing oral sex! I love it when that pretty little mouth of hers gets to work on my pussy. Another really great thing is that she's got a real nice boyfriend with a lovely, big cock."

"My favourite is when Gabby and I lick each other's pussy," breathes Linda, "while my boyfriend fucks her from behind. When he cums, he shoots all over my face, which Gabby then licks off." Blimey, we hope there's some loo roll left in the Club toilets! ♣

Comrade Quasimodo

Footballers may be models off the pitch, but for every David Ginola there's a Davie Dodds. **Maurice Short** names the ugliest gits in soccer...

We've seen many candidates over the years for the title of The Unacceptable Face of Football. Players have emerged with heads like blighted potatoes, noses the size of small South American countries and hairstyles so ludicrous even George Clinton fell about laughing at the sight of them. Rarely though has one team combined such a full range of physical horrors as the Bulgarian national side. Even the notorious baby startler Davie Dodds of Rangers FC would have felt sorry for this lot.

Marshalled by Hristo Stoichkov, whose stubbly chin and scowl give him the appearance of a Mexican psychopath from a spaghetti western, the vulgar Bulgars find room for such performers as slaptop supremo Iordan Lechkov and Emil Kostadinov. The latter looks like the kind of smoothie who should be crooning *You Were Always On My Mind* on cruise ships. As if this were not enough, the boys from the Balkans also feature sweeper Ttifon Ivanov – surely the lovechild of Marty Feldman and Ian Botham – and Aberdeen's own ginger warrior, Ilian Kirikov, who looks like Gordon Strachan chewing a wasp. Parents, if you're wondering how to keep your kids away from the fire, try putting a picture of these blokes on the mantelpiece.

Davie Dodds: Looks like a man licking piss off a flame-thrower

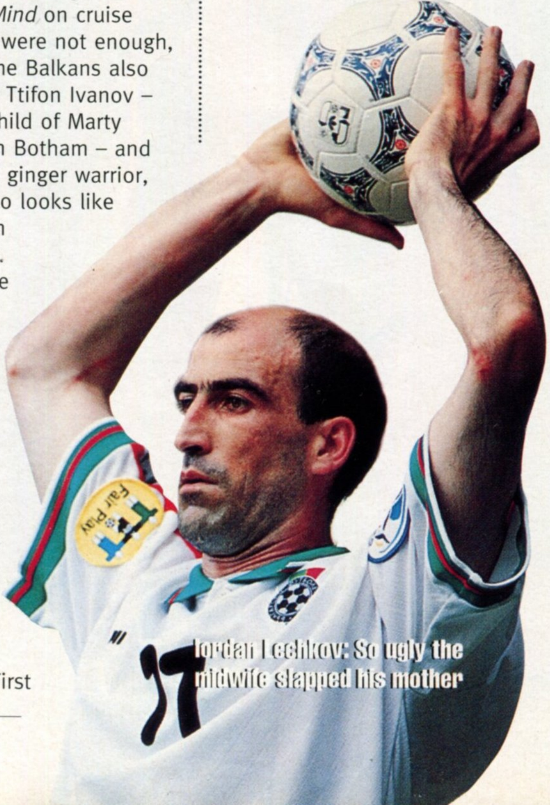
Hristo Stoichkov: Looks like the arse of a man licking piss off a flame-thrower

BIG GIRL'S BLOUSE

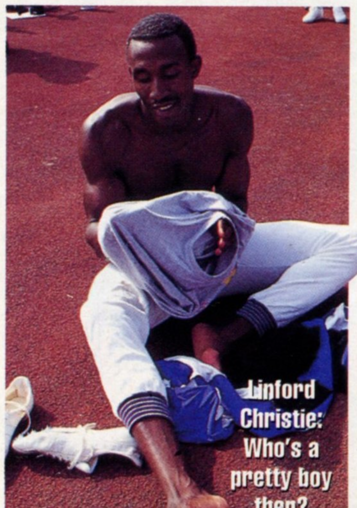
What is it with Liverpool and ludicrous football attire? First off we had John Barnes' cycling shorts, next it was John Barnes' gloves, then – guess who? – Barnesy was entertaining us with a pair of slinky black tights. Not to be outdone David James dyed his hair blonde and Robbie Fowler started wearing a stripe across his nose just like Adam Ant.

Those stripes, incidentally, are designed to increase the flow of oxygen to the lungs. They were invented as a device to stop people snoring. Fowler may not be getting the goals as fast this season, but at least he's not keeping anyone awake at night.

To cap it all comes Patrick Berger, Liverpool's recent Czech signing. Berger's debut was a moment that will be remembered by all football fans. Not only did he score twice but he also chose to hold back his dark locks with a velvet Alice band. For those of you not in the know coiffeur-wise, these are hairgrips usually seen on the heads of girls who loiter around the edge of polo fields yodelling, "Oh super effort, Hugo!" Perhaps the bouncing Czech thought Sloane Rangers was a football team. Whatever, two goals or not, he ended up looking like a right soft berger.



Iordan Lechkov: So ugly the midwife slapped his mother



Linford Christie: Who's a pretty boy then?

PUT 'EM AWAY, LOVE

Undoubtedly the vainest bunch of ponces in the world of sport are the Olympic 100 metre men. Dennis Mitchell, Frankie Fredericks and our own Linford Christie can't wait to flash their torsos at the public. When they finish a race, what's the first thing they do? Congratulate the winner? Commiserate with the losers? No, the second they cross that finish line off come the shoulder straps and out come the nipples. And it's not as if they can use the excuse that they are trying to cool down. Linford Christie was disqualified in Atlanta. He didn't run more than twenty yards. Jocky Wilson wouldn't have been sweating after the exercise Linford had had. Yet the second he emerged from the tunnel to say farewell, down came the leotard. Perhaps these guys think we are just slavering for a glimpse of their cleavage. If so, I've got some news for them: we do not want to see your fucking tits, not now, not ever! Of course if Merlene Ottey was considering dropping her top, then that would be quite a different matter.

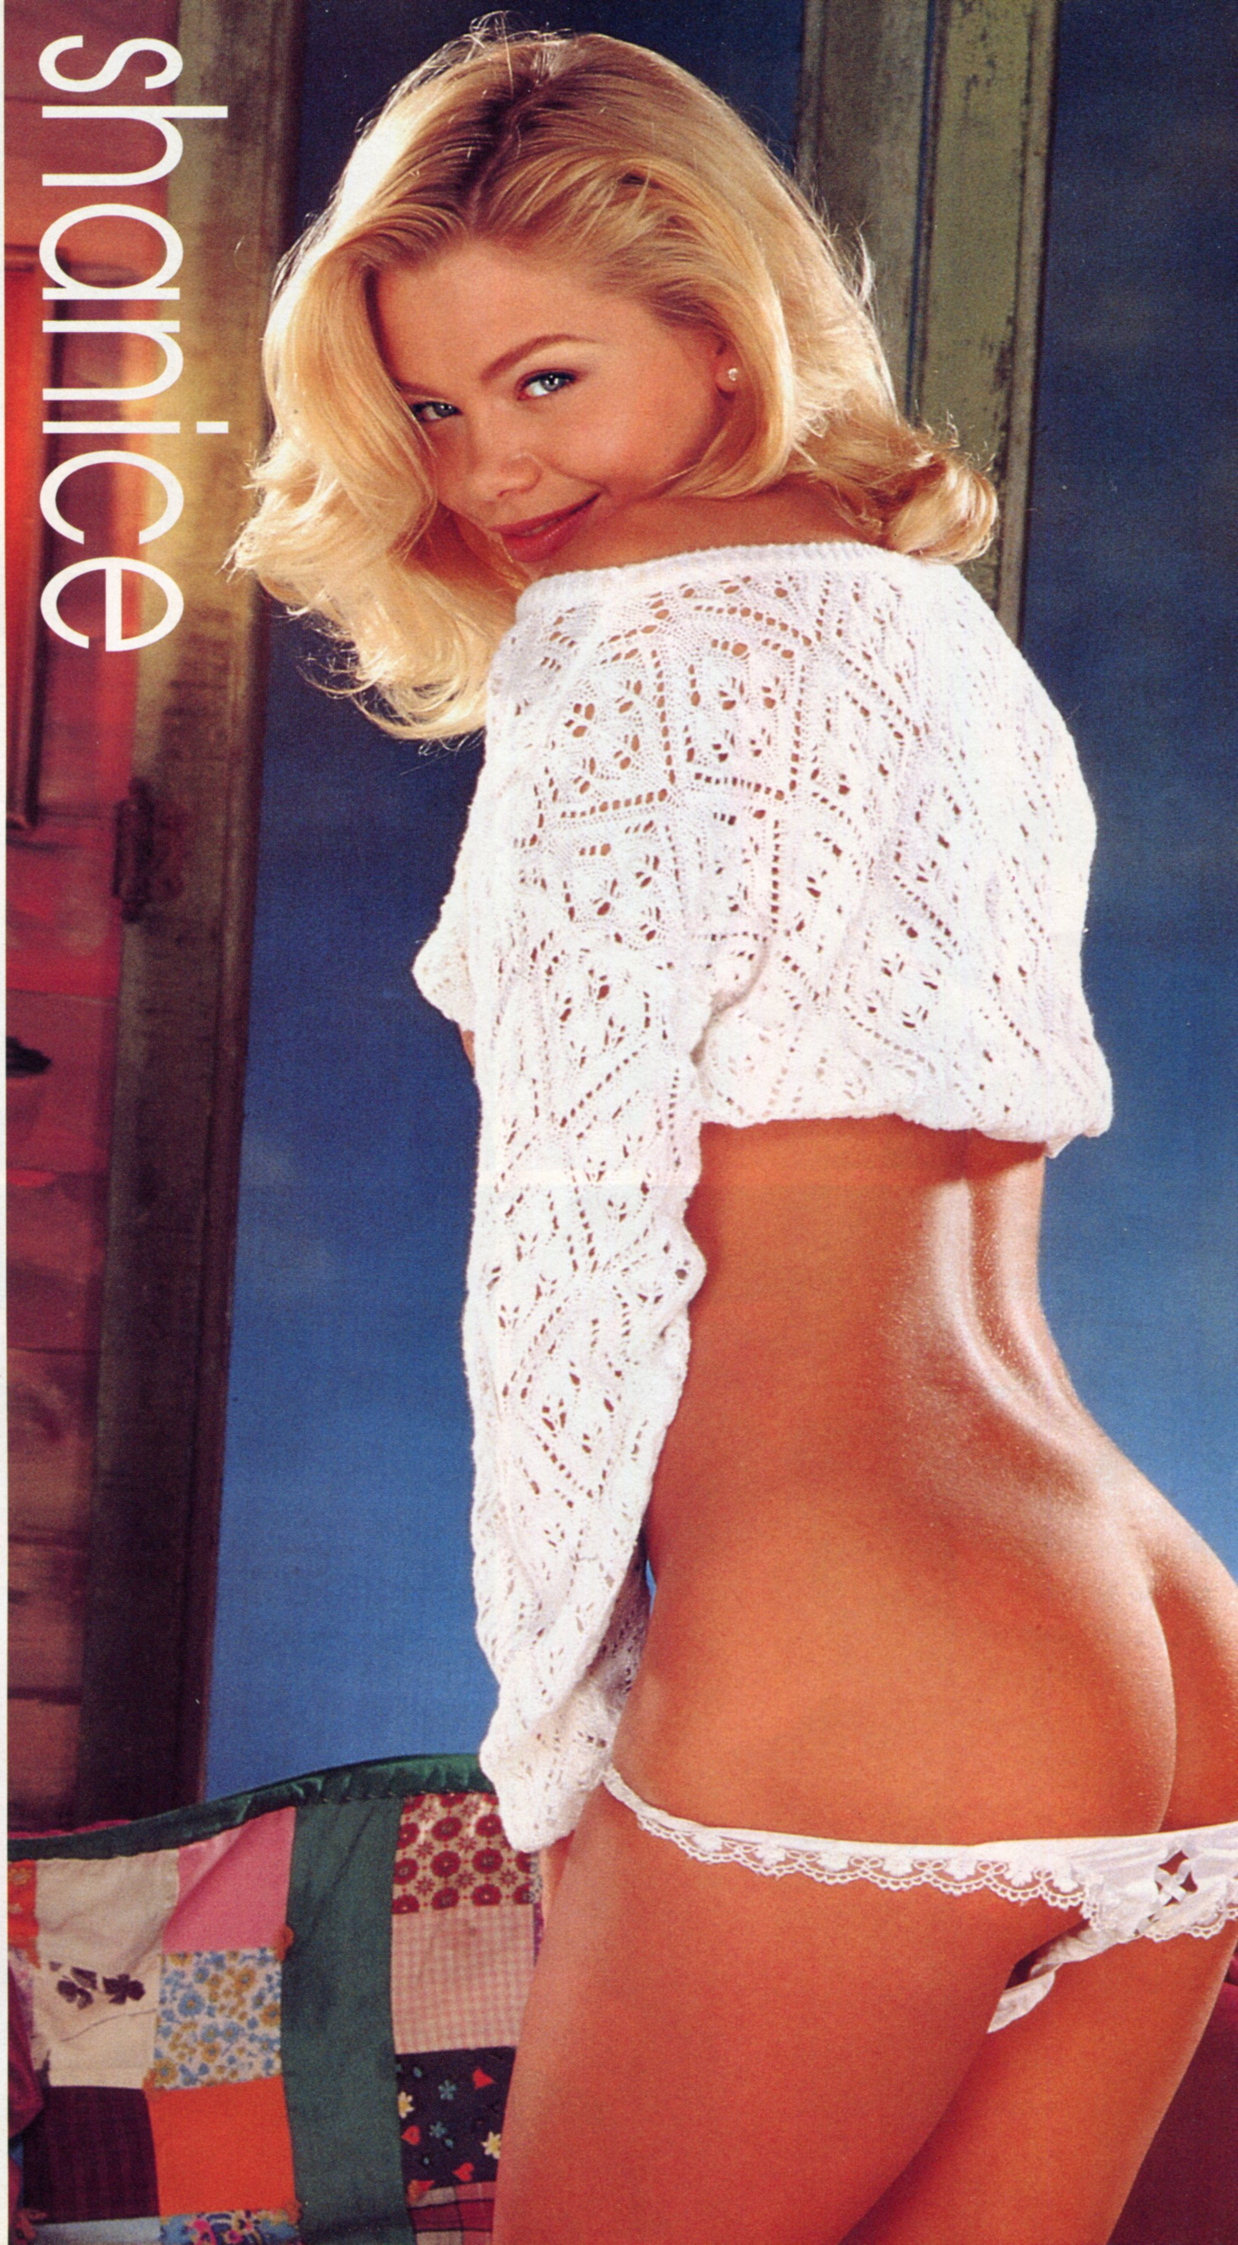
PRETENTIOUS, MOI?

After Paul Merson and cocaine and Tony Adams and alcohol comes another shocking revelation from the world of football. Former French captain and manager, Michel Platini, recently confessed his passion for grass. He told reporters, "I am very fond of lawns. I remember Athletico Madrid's pitch at the 1982 World Cup. I didn't play that day, but I walked on the grass barefoot because it was beautiful."

Planet Earth to Eric Cantona. Good news. We've found someone else who speaks your language.

ALIEN NATION

Arbitro Collina, the only Italian referee who could get a part in Deep Space Nine *any time he wanted.* ♣



Shanice is spending Christmas with four girlfriends in Edinburgh this year, and she has a message for any Scotsmen up there. "Watch out!" laughs the 20-year-old from Kent. "The girls are coming! Last year we went to the Lake District and I don't think they've recovered yet!"

And what plans do you have?

"Drinking, shagging, more drinking and more shagging – but not necessarily in that order!"

Fellas, you have been warned! ♣

Scorchio!

"Just one crumpet-oh, give eet to me!" **Damon Savage** sings the praises of Italian girls – with the usual dose of innuendo (*Here, isn't that Italian for suppositories? – The Ed*)...

Some people have suggested that the reason Italy is shaped like a boot is because they couldn't fit all that shit into a slipper. But hey, bambino, how can you say anything bad about a country that has the good sense to elect a porn star to be one of its top MPs? La Cicciolina was the babe in question, and her qualifications included having publicly performed every perversion known to man (and donkey, come to think of it). Hmmm. Let's see Glenda Jackson top that.

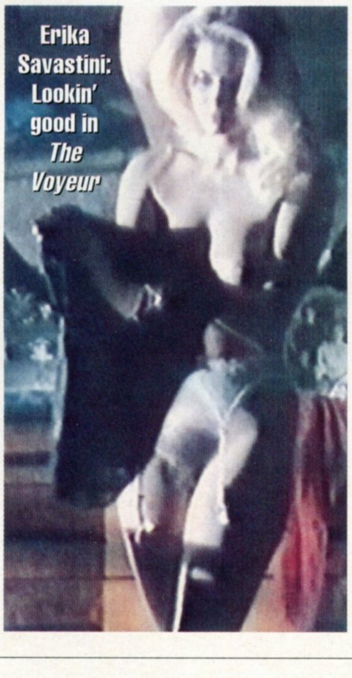
Fanny Cadeo: Not shy

Italian blokes may still think that a vulva is a Swedish motor car, but they love women with a passion unequalled by any other race. In fact the accepted definition of a maniac is an Italian in a whore-house with a credit card. Their enthusiasm is wholly understandable, of course, as no other country consistently produces such a fine crop of busty, wide-hipped young brunettes to drool over...

A classic example can be found in the well-rounded shape of Fanny Cadeo. Her face is a wet dream come to life, and when we move beneath Ms Cadeo's neck... Mama Mia! Fanny's got the kind of fanny Rome's notorious pinchers seek like the Holy Grail!

Fanny is also a successful singer, and she recently had the Italian tabloids wetting their pants when she strolled through the streets of Rome in a brief, flesh-hugging bikini and high heels, showing plenty of cleavage in front and behind, the lower half of the suit exposing her glorious bottom pillows.

You see, Italian women aren't shy and retiring types. Take Claudia Belli (we would), who usually plays dominating women in Italian sex dramas. In *Cosi Fan Tutte* she drives the poor hero to the point



Erika Savastini: Lookin' good in *The Voyeur*

Anna Falchi's Tutti Fruttis

of distraction by tying him to a bed and fiddling with his willy (which is much better than playing the piano by ear). He reflects that "If deep pleasure is derived from suffering then this is the woman of whom I've always dreamed." We say: Shut your yap pal and pass the Kleenex!

Then there is Francesca Neri, who has been described as the Roman Sharon Stone, but this girl has done things that would make even Shazzer blush a bright crimson. Her biggest success has been as the star of the hot erotic drama, *Outrage*, where she played a possibly insane circus sharpshooter who gets her hooks into Antonio Banderas – and yes, he shags her bandy!

Serena Grandi: Belissimo babe

Another top bit of Italian totty is Monica Belluci, a tall, curvily slender beauty, whose looks are smouldering enough to start a small blaze in your Y-fronts. Musing on her undeniable sex appeal, Monica says "Yes, I'm aware that men want me. I want men too. I want love and I want sex!" She sounds like our kinda gal. Monica started out as a model for fashion mags like *Vogue* and *Elle*, but went on to distinguish herself in Coppola's *Dracula*, where she certainly gave us a blue-veiner.

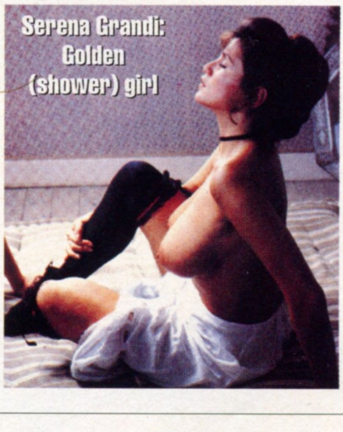
Italy's favourite TV tease is Alba Parietti, a former Miss Italy who shot to boob tube stardom as a sexy hostess on the TV show *Galagoal* and even sang with Pavarotti before getting her own show, *Domenica*, and being voted the sexiest girl on TV. When she recently had her breasts enlarged two cup sizes it was actually considered front page news.

> "I want men. I want love and I want sex"

A lot of Italy's most popular new sex starlets have come from TV. Gorgeous Anna Falchi made her topless debut on the ever-popular *Tutti Frutti* nude game show and went on to parade her hourglass figure in hot movies like *Dellamore Dellamorte*. "To be an actress you must have the freedom to experiment without boundaries," says Anna. Which means she probably bangs like the garden gate.

Italian jobs: Films like *The Erotic Dreams of Cleopatra* and *Ladies of the Night* depict every perversion in the book!

Marina Pierro: Pizza the action



Serena Grandi: Golden (shower) girl

On the Supermodel front, one of our favourite Italian wank fantasies is Carla Bruni, a tall, curvy beauty who has often hit the headlines because of her famous bed partners, who have apparently included wrinkled old Mick Jagger and Donald 'Not Poor' Trump. Her aim is a film career, but so far she's only been seen in the fashion documentary *Unzipped*.

Italian cinema is full of generously endowed starlets who don't mind opening their legs and showing what totally sex-mad girls they are. The cream of the crop include busty Stefania Stella, Laura Betti, Cinza Becal, Alessandra Mussolini, Marcella Petrelli, Lulu Matteo and Ornella Muti, all of whom tend to show their furry bits onscreen at the least provocation – how can you not love girls like that?

But if we had to choose our ultimate Italian babe it would have to be the amazing Serena Grandi, the uninhibited star of countless erotic thrillers. In *Miranda* she gives an admirer the golden shower treatment, while in *Lady of the Night* she happily takes on four young studs at once – and it's you who ends up feeling shagged out!

With gals like Serena around, no wonder the average Italian guy has a smile on his face all day. He's living in a land of sunshine where he can eat pizza and pussy all day long. The down side? Well, as any Roman nose, eating pussy is a bit like being a member of that other rather popular Italian club, the Mafia – one slip of the tongue and you're in deep shit... ♣

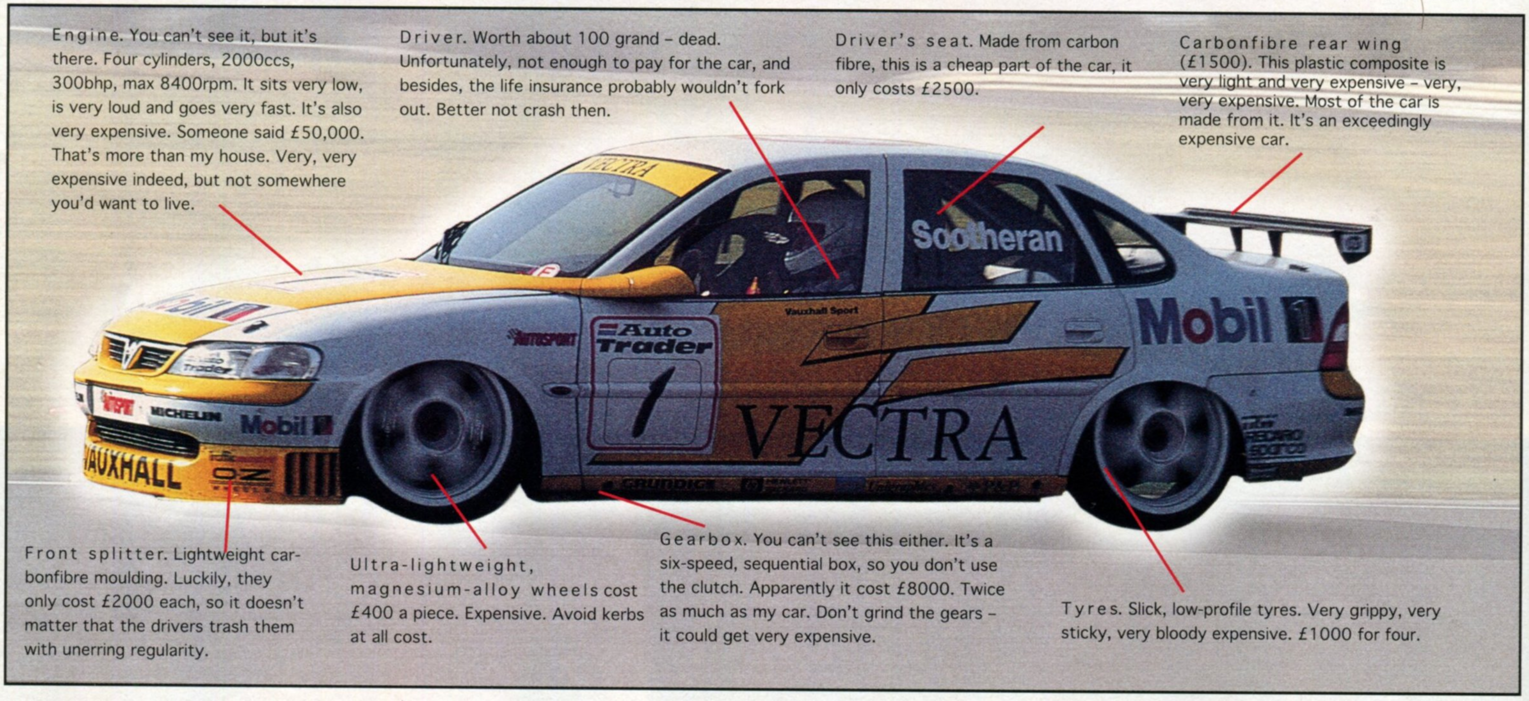
"I meet most of the guys I sleep with at pubs and clubs. I like sex so I tend to go for one-night-stands more than longer relationships," says Jeanette, 19, who works in a restaurant in Worcester. "I find it a bit embarrassing when I run into the blokes who I've shagged – especially if they've banged me in a toilet or somewhere a bit daft like that! I don't care if they think I'm a bit of slag. They can think what they want. I just like shagging." Well, you can't say fairer than that! ♣

SPEEEEEEEEEED

At first glance, this car bears more than a passing resemblance to a road-going Vauxhall Vectra but, says **John Sootheran**, it's all just an optical illusion – a £300,000 trick of the light...

You are looking at the Vauxhall Vectra touring car as driven by John Cleland and James Thompson in the 1996 British Touring Championship. It may look like an ordinary Vectra covered in stickers, but apart from the bodyshell, this motor is an all-out racing car. It devours tarmac for breakfast, right-angle bends for lunch and washes them down with a few 180° hairpins. Then it belches and laughs. It's one mean mutha of a car.



Engine. You can't see it, but it's there. Four cylinders, 2000ccs, 300bhp, max 8400rpm. It sits very low, is very loud and goes very fast. It's also very expensive. Someone said £50,000. That's more than my house. Very, very expensive indeed, but not somewhere you'd want to live.

Driver. Worth about 100 grand – dead. Unfortunately, not enough to pay for the car, and besides, the life insurance probably wouldn't fork out. Better not crash then.

Driver's seat. Made from carbon fibre, this is a cheap part of the car, it only costs £2500.

Carbonfibre rear wing (£1500). This plastic composite is very light and very expensive – very, very expensive. Most of the car is made from it. It's an exceedingly expensive car.

Front splitter. Lightweight carbonfibre moulding. Luckily, they only cost £2000 each, so it doesn't matter that the drivers trash them with unerring regularity.

Ultra-lightweight, magnesium-alloy wheels cost £400 a piece. Expensive. Avoid kerbs at all cost.

Gearbox. You can't see this either. It's a six-speed, sequential box, so you don't use the clutch. Apparently it cost £8000. Twice as much as my car. Don't grind the gears – it could get very expensive.

Tyres. Slick, low-profile tyres. Very grippy, very sticky, very bloody expensive. £1000 for four.

So mean, in fact, that I didn't dare refuse when Vauxhall offered to let me spend a day in its company. It began with me 'passengering' international racing driver Tim Sugden. A man who obviously did away with his nervous system some time ago.

At six foot two I had to contort my way through the roll-cage before two blokes strapped me into the seat. As they wrenched down on the harnesses, my torso and the seat became one. Within ten seconds we were doing 140mph.

The explosion of noise and vibration was quite literally mind-boggling. The phrase 'sheer, unadulterated terror' summed up my mental state on that first lap, Especially the part with the 90° bend; the one we were approaching at almost 150mph... the one that was just thirty yards away.

Tim slammed on the brakes, changed down three gears and almost severed my arms and legs with the safety harness as G-forces tried to drag me through the windscreen. We entered the corner at 60mph – an acceptable speed for that manoeuvre. Three laps with Tim and I was awestruck. It was my turn next...

It takes concentration to get the Vectra moving. There's no clutch required once you're moving, you just lift off the accelerator, simultaneously flicking the gearlever forward to change up.

"We were fast approaching a bend at almost 150mph!"

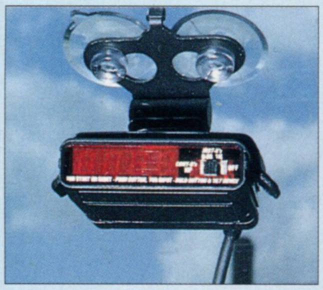
With the accelerator to the floor, I hit third, then fourth and fifth. By this time there's a left hander looming. I pull back into fourth, and aim for the apex. Once I'm straight, I hit the brakes.

Clip the second apex and hang on as the car drifts wide and brushes the far kerb. Fourth, 8400 screaming revs, fifth all the way to sixth. 130mph and another curve looms. Down to fifth, but don't brake, brush the apex then slam it into sixth for the straight. Coming up next is a tight right-hander. I'm concentrating so hard on the braking and turning-in points that I don't even look at the bend. I slam my foot on the brakes and drop down three gears. The slicks grip tighter than a clingy girlfriend and I take it round the right-angle without a hint of slide. I accelerate on the next straight, and sort out my line for the next curve. The camber of the track changes here, and the car takes off for a second, veering to the left. Then it's back on the gas and up into sixth for the final right-hander. Twenty yards from the bend I grab fifth, squeeze the brakes and aim for the apex. I'm going too fast and miss by a mile. Luckily the track is wide and I avoid going agricultural to cross the finish line in one minute eight seconds – 3.5 seconds slower than Tim Sugden.

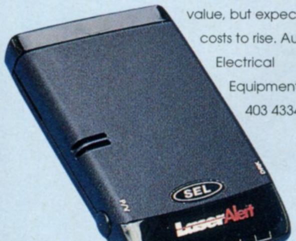
Believe me, that's a long time in motor racing.

DASH BOARD?

Liven up your dashboard with some of the latest trick kit...

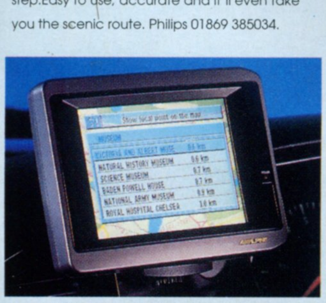


Accelerometer, *£120.* Stick the G-Tech Performance Meter Pro to the windscreen, plug it into the ciggy lighter, dial in your car's weight and you're away. It gives you figures for 0-60mph times, braking distances and even the G-forces you pull while cornering. Great entertainment value, but expect fuel costs to rise. Autocar Electrical Equipment 0171 403 4334.



Radar Detector, *£170.* Twelve points on your licence and you're out for the count, so avoid fines by installing a detector which beeps when it senses speed traps. It's legal to own one, but receiving a signal may contravene the 1949 *Wireless and Telegraphy Act.* The ultimate early-warning system for radar-toting cops. Snooper Electronics 01244 321300.

Philips Routefinder, *£230.* A neat, affordable gadget for the navigationally-challenged. Tap in your start point and destination and off you go. The display gives distances and directions. As you catch up with each instruction, press an 'advance' button and it gives you the next step.Easy to use, accurate and it'll even take you the scenic route. Philips 01869 385034.



Alpine Navigation System, *£3500.* The coolest piece of gadgetry money can buy. A screen on the dash, a CD-Rom drive in the boot and £10 billion worth of satellites in space, enable you to track your car to within five metres on a map on the screen. Call your destination using a street name, and a bird with a posh voice gives you directions. Unlike most chicks she won't get you lost and even if you cock up, she won't bollock you. The system will be available in 1988. ♣

tara

Saucy sex-babe Tara is top of the class on her fashion course at college, and no wonder! The 19-year-old from Woolwich says "All the male lecturers love private study periods with me, because they get to study my pussy, and then I give them a nice, sloppy blow job. That way, the lecturers get their rocks off, I get straight A grades, and my boyfriend gives me a really good fucking when I tell him what I've been up to. Everyone's happy!" We bet they are too! ♣

Special K

They may look like space cadets but Kula Shaker are cooler than a bucket of penguin shite, says **James T Bone**...

"We'd been told this legend about an Emperor called Kula Shaker; all the yogis considered him to be the personification of one of Vishni's weapons. We were told that if we took his name he would look after us. Within three months we had a record deal."

Naming your band after an ancient Indian ruler and then banging on about the power of mystical chants should be enough to see most groups banished to a remote desert island with only George Harrison for company, but in the case of Kula Shaker we're prepared to grant a reprieve.

"We're sucking on the devil's tit," reckons singer Crispian, "and that can bring out dark forces."

Kula Shaker may talk of 'hidden powers' guiding the band and believe that Beelzebub is their fifth member, but the truth is that the nearest they come to an unholy alliance is their contract with Sony, and the only 666 these guys will be encountering will be the one with a few added noughts on their next royalty cheque. By taking the best bits from other bands – most notably the Roses and the Stones, man – and adding their own funked-up 90s edge, Kula Shaker have become one of the country's biggest bands in just a few months. Led by Crispian Mills, they've stormed the charts with a handful of singles and a number one album, *K*. Their finest hour came with their second single, *Tattva*. Using a 500-year-old Indian mantra as its chorus – 'Acinta/bhedabheda/tattva' – the single went straight in at number four in the charts. "The phrase is a mantra about the relationship between God and the living entity," explains Crispian. "It's an explanation about the meaning of everything." Glad we've got that one sorted.

Kula Shaker: Korma feel the noise

If further proof were needed that the band's s(i)tar is in the ascent, then we need look no further than their recent, as yet unreleased, collaboration with The Prodigy. The results are said to combine the tranced-out beats of *Tattva* with the bass boom of *Poison*. "When people hear it, they won't believe it," says Crispian.

And what of the future for the band? "We're gonna do a gig at Wembley, and Armageddon will come at a pre-arranged time," says Crispian. "On our final chord Armageddon will happen and the spiritual aeroplane will appear and we'll all climb aboard and go off to the other side."

Well, it beats queueing for the no 79 bus back from Wembley Central, Crisp...

MY BIG MOUTH

"My 80-year-old auntie bought the NME *'cos my photo was in it, but the article went on about wrecking hotel rooms and taking drugs. She was horrified and got straight on the phone to my mum."* – Justine Frischmann, **Elastica**. Course she was horrified – you did all the drugs yourself.

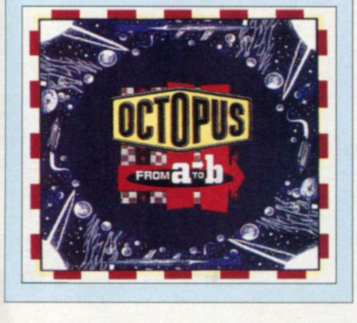
"These guys grab you, 'Do you want to see a disgusting show?' They have bizarre things. Pussy shoot banana, pussy shoot ping-pong ball." – **Shampoo** on their fave city, Bangkok. But what's a girl doing with a gun up her cunt in the first place?

BIG NIGHT OUT

The **Travel Fox Breakdancing Contest** hit Shepherds Bush last month. Featuring crews from New York, LA and Paris, the best dancer was a pissed bloke in the upstairs bar who had travelled all the way from, err, Ladbroke Grove, precisely one tube stop away. Wicked.

GOOD STUFF

Octopus are 'hotly-tipped psychedelic popsters' who release their debut LP, *From a to b*, this month. The clever dicks who designed the sleeve have incorporated an entire board game into the packaging which means you can have hours of fun without ever subjecting yourself to a single note of the twaddle inside! Genius or what? ♣



As soon as gorgeous, 18 year old Marina walked into the office, things started to go wrong. Every bloke here stopped work and started fussing around her, offering to make her tea, clean her shoes, anything just to talk to her. "I've never had so much attention," she giggled. "But I'm afraid you have to treat me mean to keep me keen on sex with you!" Well fuck off then, Marina! ♣

Faaar

These days most motorbikes look like nuclear weapons on wheels with paint jobs straight out of a Manga comic. But now Yamaha have put a stop to all that bright green plastic and screaming acceleration with the launch of two new classic choppers straight out of *Easy Rider*. **Tom Otley** took them for a cruise along the sun-baked highways of California (Which was quite brave for someone with delicate skin and red hair, don't you think...?)

Out, Man!

'Get your motor running. Get out on the highway!' It's a long time since I've seen *Easy Rider*, the cult film that launched Jack Nicholson to stardom, Peter Fonda to obscurity and Dennis Hopper to planet drug-head, but who could forget the sight of those two dudes on their choppers cruising along the middle of the road in virtually horizontal riding positions? Fonda's machine is so ridiculous it looks almost unrideable. His handlebars are so far above his head he could do chin-ups from them and his feet are stretched out in front of him like he's in an armchair. But he doesn't care. And if his hair blows in his eyes, then that's the way it's gonna have to be. He's not going to cut it, because that would be the sensible thing to do. And who wants to be sensible? Certainly not the people at Yamaha, who next February launch two Sixties-style *Easy Rider* choppers that make even Dennis Hopper's machine look like PC Copper's bicycle in *Bod*. And if you want to be the man, you'll have to get one.

Faaar Out, Man!

Easy Rider: – "I can't feel my arms."
– "What arms?"

Royal Star Classic: Japanese cop bike

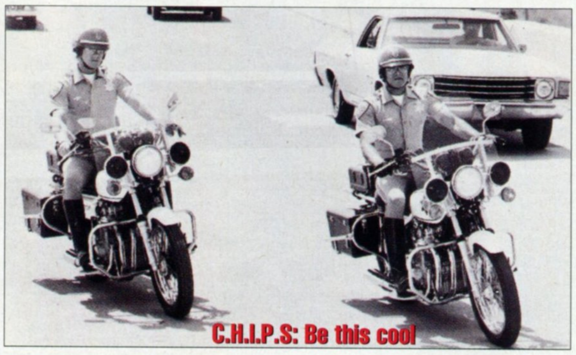
From the moment I saw Fonda and Hopper sweep into town looking for women I wanted to be just like them. I wanted to be wild. I wanted to feel my hair blowing in the wind. I wanted to ride a chopper into New Orleans...

Unfortunately New Orleans was a long way from Wakefield, my mum wouldn't let me grow my hair past my ears and my dad wouldn't let me have a Honda step-through, never mind a custom chopper. But now, nearly ten years later, I can at last be the man – the man on a Yamaha *Drag Star* (even though it does sound like something Julian Clary would ride).

The *Drag Star* is long, low, costs £5,500 and there are 900 of them on their way to Britain next year. It's a sleek and stylish street-wise monster with a raked out chassis, teardrop tank and a fat 170 section rear tyre. At the back the exposed drive shaft makes the bike look almost like a drag racer and the upswept rear hugger mudguard emphasises the bike's extraordinary length. Add to this the swooping exhaust pipes, the high, lovely wide handlebars and the low seat and not only do you look like Dennis Hopper, you ARE Dennis Hopper!

However, it's not all as cool as it could be. The first thing you've got to know when clambering onto a Yamaha chopper is that they hate corners. To be blunt, the *Drag Star* takes to bends like a fish to carpet – which isn't a whole lot of use in West Yorkshire, but perfect for the long, straight roads of California. These bikes were made for cruising, for skimming long distances in comfort and style. Once you start leaning a *Drag Star* into a tight corner you might never come back up again. You could be going in circles until it runs out of petrol. Sorry, gas. But get it out on the open road, preferably a straight one of not less than a thousand miles, and you're the man again.

> "Suddenly you're the star of every film about a cool bike cop in a pair of mirror shades"



C.H.I.P.S: Be this cool

Now if Dennis Hopper and all that easy riding sound a bit doped-out and greasy for your tastes, how about being a cooler-than-cool Ponch out of Seventies cop series, *C.H.I.P.S*? The *Royal Star Classic* is Yamaha's answer to Harley Davidson's *Road King* and looks just like an American cop bike. They've kitted the standard *Royal Star* with a touring package which includes revised front forks, leather panniers and screen and leg deflectors which take all the wind off the rider so you can ride at 100mph plus without being blown off.

The *Classic* has a lot of chrome, and chrome looks best when it's been polished to reflect the dying rays of a giant golden setting California sun as the warm engine flings you across the flat landscape to the distant mountains on the horizon. The ox leather seat even ensures you won't have piles when you get there. But for £12,000 that's the least you could expect.

Sit back on this beauty and suddenly you're in *Magnum Force*, *Cobra*, *Electraglide in Blue* and every other film about a cool bike cop in a pair of mirror shades. It's all you can do to stop yourself pulling over every car you see and asking for some ID. Okay, the *Royal Star* may not have the US pedigree of a Harley hog but believe me it has all the feel of authenticity – together with reliable Japanese engineering.

So forget the old guy on a horse smoking a cigarette. He's dead and his widow's suing the tobacco company. If you have to conjure up one image of the good ole US of A, or better still, you want to live that American dream in Cheam, then jump on one of these. Buying a custom bike is no madder than buying a racing bike when you've never been near a track. Even on a quiet Sunday run, these bikes will turn heads and maybe you'll get some as well. As your granny says, girls love a man with a big chopper.♣

jenna's diary

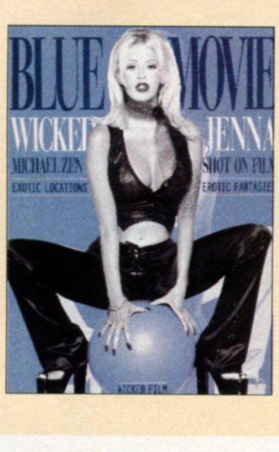
Jenna Jameson is the world's biggest adult movie star and, starting this month, she's writing her diary exclusively for Club!

I got a call asking me to appear in a film biography of Howard Stern – the outrageous American disc jockey and television personality, who I'm sure you must have heard of in the UK. Howard himself wanted me to play a role in the movie, but, unfortunately, I can't let you know who I play, as it's a big secret!

Anyway, I accepted the role and flew from Los Angeles to New York to start shooting. My video company, Wicked Pictures, had arranged for someone to meet me at the airport, and I could hardly believe my luck when I saw him – he was very handsome! He had a lovely muscled body and long dark hair and was standing there at the arrivals section holding up this huge 'Jenna' sign over his head. When he saw me coming towards him, I noticed he looked a little uncomfortable in the trousers! I suppose you can't really blame him, though – I was wearing tight denim cut-offs and a cropped tee-shirt that was just tight enough to stretch any man's imagination. So anyway – oh dear, I forgot his name! – led me to a limousine and then climbed in the back with me.

The driver must have caught my lustful expression in the mirror, because he discreetly put the privacy divider up as we pulled away from the airport. The oak bar in the limo was generously stocked with champagne and snacks, but my hunky companion generated so much heat that I grabbed the serving tongs beside the ice bucket. I playfully snaked them across my lips, down my neck and then encircled my nipples in a gentle pinching motion. My new friend sat in the seat across from me and couldn't resist rubbing his crotch as he watched

> "I ground my dripping cunt against his mouth"



my slow and sexy tease. I continued toying with my nipples by raising my tee-shirt, grabbing an ice cube and rubbing it all around my nipples. The melting water trickled off my breasts like a waterfall landing in my navel.

“I felt his hot spunk ooze over my feet and ankles”

He was rubbing his cock more enthusiastically now and I saw the first bit of pre-come soaking through and staining his jeans. I knew it was time to stop my teasing. I took off my boots and ran my toe up his thigh and to his flies. With surprising ease, I managed to pull his zip down and soon had a firm foothold on his thick, pulsing cock.

I slowly undid my own zip and wriggled out of my shorts. My back-seat lover dropped to his knees before me as I spread my legs, keeping my feet together and wrapped round his cock.

“It's such a hot day,” he panted as he reached into the champagne bucket and grabbed an ice cube, “I know just the thing to cool you off.” He smiled naughtily and then slid the ice cube into his mouth before bobbing his head down to my hot cunt. Oooh, the feel of his lips on mine was out of this world! I moved my hand down and parted the pink folds of my pussy, allowing him easier access to my swollen, aching clit. His cool tongue darted out, flicking up and down on my tingling pink bud, then he slid the melting cube inside my hot hole.

I glanced out of the heavily-tinted windows at all the skyscrapers looming above us and at the hordes of pedestrians clambering just inches from our limo as it inched along in the heavy traffic. All those people bustling by, some of them bumping against the car, others trying to peek inside turned me on even more and I clamped my knees together around his face and pumped his cock fast and hard with my feet. As he thrust it faster between my soles. I lifted my bum off the seat and ground my wet cunt against his mouth. I was about to come.

As I cried out, my cunt quivered and I shot what was left of the ice cube back into his mouth! I heard him gulp, then felt his hot spunk ooze over my feet and ankles. I felt his heavy breath on my pussy, then he fumbled to get his trousers back on again. Just in time too, because right then the driver arrived at our hotel! I felt refreshed as he yanked open the door and extended his hand with a wink.

I tell you, New Yorkers really know how to make a girl feel welcome! I just hope all you guys are as accommodating when I'm over in Great Britain.

In the meantime look out for my dirty diary next month in Club. Seeya! ♣

Angela's steamy confession from clubland

bump and grind

I thought it was about time I wrote into Club and shared some of my experiences with you, because recently I've been having the horniest time of my life. About three months ago I met a gorgeous guy called Steve. He's into sex like nobody I've ever met before, and he's really brought it out in me too. But that's not too difficult when you're a shapely 19-year-old who gets the kind of attention I do.

> **"He sighed loudly as I enveloped his dick in my warm, soft mouth and began swirling my tongue around his knob"**

We're both into going out clubbing and, well, getting into sexy situations. It all began one time when the two of us went to one of the smaller clubs in town. You know, the kind of place that's kicking even on a week night, so you know everybody's well up-for-it.

Anyway by about half-two that night we were both feeling well off it. Plenty of sexy young babes had been giving Steve the eye and I'd exchanged smouldering glances with quite a few guys. Things were getting pretty hot so we decided to move to the edge of the dancefloor for a fag and a breather.

Before we got the chance to light up, Steve pulled me to him and gave me a wet, tonguey kiss. Then he whispered, "Come with me, darling."

He led me by the hand to the gents, told me to wait a minute while he checked inside, then through to a cubicle which he locked behind us. I was as horny as fuck and wasted no time. I undid his trousers, took out his rock hard dick and got down on my knees in front of him, poised and ready. He sighed loudly as I tenderly enveloped his pulsing dick in my warm, soft mouth and began swirling my tongue around his sensitive knob. I love sucking cock at the best of times, and I was revelling in having his stiff tool in my mouth to play with.

I tongued at his helmet for a while then really began to work hard, getting my lips really moist and working them slowly up and down his shaft, cupping his hairy balls as I sucked him. It was beautiful, his cock was big and stiff and slippery with saliva as I gave him my special treatment.

But I needed to get it inside me now, my pussy was aching for it. As I reached down and started taking off my panties, I felt how wet I was. My pussy was absolutely dripping with juices. I slipped a finger into my gusset and started to circle my clit, occasionally probing my juicy cunt with my fingers.

This just made me more desperate to get Steve's meat inside me and I pushed him down to the floor, pulled aside my panties and straddled him, pulling up my white bra top so that he could reach up and play with my sensitive titties.

I can picture it all so clearly now – my dripping cunt moving towards his erect cock, almost in slow motion. I don't know what I remember more vividly – the sight of his prick pushing into my closely-cropped pussy or the feeling of his knob rim easing into my tight hole.

It felt fucking marvellous, but I'm the kind of girl who relishes a good hard fuck and Steve knew this. He manoeuvred me onto the toilet seat and pushed my legs back towards me so that my pussy and arse were thrust forwards for him.

Kneeling before me, he built up to ramming speed and I could feel every inch of his cock driving deep inside me. I was delirious, my head bumping off the wall, little moans of pleasure escaping

my lips. His furious, energetic pumping set me off and the soft walls of my tight, wet hole began to clamp around his dick, almost sucking at it.

I was nearly there, and I knew exactly what would tip me over the edge. "Fuck my arsehole," I begged breathlessly. "Push your cock deep inside my tight hole, you know I love it!"

Steve pulled his prick from my cunt and eased it inside my tight, pink arsehole instead. Anal sex is the one thing that is guaranteed to give me an orgasm like you'd never believe and Steve was well practiced in this particular art. He pushed his cock in ever-so-slowly until it was all the way in. "You're so nice and tight," he panted. "Does it feel good for you?"

All I could do was nod dumbly. He began to speed up the pace and I could feel myself losing control. I gasped loudly with each thrust as an unbelievable orgasm tore through my body. I let out a loud scream.

As my orgasm began to ebb, I felt Steve's prick swell inside me. But instead of shooting his load into my arsehole he quickly pulled out and squirted a string of white come with such force that it landed all over my stomach and tits.

I hope you enjoyed hearing of my first experience, but before long Steve and I were going a lot further than that. He had often said he'd really like me to take on two guys and, of course, it sounded great to me. Well, believe it or not, one night it actually happened...

We were out a few weeks later, dancing and getting up to our usual flirty tricks, when Steve whispered into my ear, "Why don't you take some guy off to the loo? Get him hot and worked up and I'll come along and join you in a minute or two."

I wasted no time. There was a guy with short blond hair who had caught my eye and I shimmied closer to him until he got the message. We started grinding up close to each other and it became obvious that he was game, so I grabbed his hand and led him to the toilets. "Go and see if we can be alone in there," I told him. "That's when the fun really begins."

"His hands groped at my bum, peeled my cheeks apart and began to fuck me hard as I sucked off the guy in front of me"

A minute later we were in a cubicle together. He was dying to fuck me there and then, judging by the way he was pushing his tool against my soft mound, but I wanted to take it easy and give Steve the chance to arrive.

I took his hand and led it up my skirt. He cupped my pudenda, his fingers running along the length of my crack. He started to gently rub me, my sticky juices leaking out as he did so. Then he eased my panties aside with the edge of his hand, sneaking his fingers towards my dripping honey-pot. I was loving every minute of it, but I needed my tits played with so I pulled up my top. Still playing with my wet pussy he leaned forwards and started to suck at each of my nipples in turn. Every lick and suck sent shudders through me and soon my little buttons stood up, pink and moist with his saliva. It was so horny I almost forgot about Steve.

But not for long. There was a knock at the door and a secretive whisper. My new playmate soon realised the score and then knowing looks were exchanged between the two guys.

"What shall we do with this naughty girl then?" asked Steve, easing himself behind me in the cramped space.

"I want you both to fuck me," I blurted out, unable to control myself.

"But you've got to earn it first," retorted Steve as he pulled out his cock and started to rub it along my bum crack, with me still getting my tits licked by the blond guy in front.

I was pushed into a bending over position by Steve as he sat back on the loo. My skirt was flipped up and my knickers were pulled down past my ankles. He tongued at my pussy as I stood there pushing my bum towards him, waggling it sexily. Meanwhile, I found myself faced with a huge bulge in front of me.

I took out the other guy's dick and began to mouth it greedily up and down. It tasted beautiful, our heavy petting having got him well juiced-up with pre-come. My mouth was moist and hungry for it and I soon had him as stiff as a truncheon.

I had been sucking for a minute or two when I sensed Steve standing up. I knew what was coming – it looked like I was going to get the ramming from behind I so desperately wanted.

It felt so good as Steve slipped his thick tool into my willing, wet pussy. His hands grasped at my bum, peeled my cheeks apart and he began to fuck me hard as I continued to suck off the guy in front of me.

I was soon writhing uncontrollably as I got fucked from both ends. The movement of my body as Steve rammed me pushed my mouth up and down the other guy's cock. Soon, feeling them both swelling, I began to come. My screams were stifled by the cock in my mouth as mighty spasms jerked and bucked my body.

The guys still hadn't shot their loads though and Steve

said to the blond guy, "Let's give her a come bath."

They sat me down. I sucked and wanked their pricks, and pretty soon they were bursting to come. Steve was first. As he tugged at his cock he directed his jizz over my tits, little streams running down my cleavage and tummy, collecting in my navel. Just then I felt the blond guy stiffen and his spunk surged into my mouth until I could hold it no more. The last spurts of his load hit me in the face and ran down forming little drips on my chin.

Well, I didn't think I could get any more rampant than that, but my adventures with Steve got me wanting to try out even more outrageous things. So it wasn't long before I decided I would go out and try some stuff I'd always wanted to do. Not that what we'd got up to already wasn't brilliant, but there was one thing I'd always wanted – to get fucked over and over by a bunch of guys.

I'll skip over the details of the club, but I went there one night wearing my favourite skimpy skirt and top. I had no trouble getting attention and soon found my target – a bunch of five good-looking guys. I danced sexily with each of them, then whispered to one of them, telling him that I had a sexy surprise for them all. As you'd expect, we all left soon after that!

"My knickers were eased off and within seconds I felt the first cock nudge between my cheeks, probing my sopping hole"

When we all got back to my flat, I told them exactly what I wanted. "Take your dicks out so that I can suck them."

I lined them up and then went along, giving them each a taste of my warm, wet mouth. As I shuffled on my knees from dick to dick they grabbed at my clothes, pulling my top up and skirt down. Soon I could resist no longer and was carried to the bedroom and laid face down. My knickers were eased off and within seconds I felt the first cock nudge between my cheeks, probing my sopping hole.

Whoever it was lifted me expertly by the hips, pulled my ass towards him and drove his cock deep into my pussy hole. He shafted me slowly at first, then built up to fever pitch as the other guys vied for the pleasures of my willing mouth. It was amazing getting fucked hard whilst having such a splendid selection of hard, pulsing dicks to suck on, knowing that eventually I would have them all!

We sucked and fucked over and over again. I must have tasted gallons of spunk that night and by morning I was absolutely covered in the stuff. I got shagged in every possible position you can think of, and when a guy wasn't fucking me, he would wank over me!

The one bit that really sticks in mind was when I was straddling one guy, his dick in my pussy whilst sucking off two guys in front of me. I got fucked all night – even when some of the guys were too knackered there were others more than ready to fill me.

I was knackered for days afterwards, but I was glad that I finally fulfilled my ultimate sexual fantasy. I recommend it to any girl, it really was the fuck of a lifetime! And though I haven't quite repeated that particular feat, I'm still into getting into very sexy situations when I go out with Steve.

I'm sure there are lots of *Club* guys and their girls out there who are into the same thing as well, and I'd love to hear all about your naughty sexual adventures. Please send them into *Club* and I'm sure that they'll pass them onto me. Maybe we could get together and go out clubbing sometime... who knows what might happen?!

Julie likes to meet strangers and fuck them!

in the open air

My name is Julie and I'm a 22-year-old medical student from London. I'm writing to your magazine because my boyfriend, Carl, wants me to tell all your readers what we got up to last weekend. He reckons you'll all get off on hearing about our sexy exploits and I think he's right! You see, we like to share each other and Carl gets very turned on to see me fucking other men.

Last Saturday morning, Carl and I were feeling particularly horny. I was lying in bed completely naked and Carl said he thought it wasn't really fair that nobody else got to see my 'beautiful cunt'. "Bet you'd like to see me flashing my pussy for every Tom, Dick and Harry," I purred, spreading my legs wide.

"I impaled my went cunt on his smooth prick"

A wicked smile spread across his face. "That turquoise dress of yours would be great for flashing in," he said excitedly. "Put it on and then let's go out."

I did as he asked. "Whatever you say, honey," I cooed, buttoning up my dress and slipping on a pair of white high heels. As I looked in the mirror, I realised that nobody would be able to tell that I wasn't wearing any underwear. It was such a turn-on!

My mind was racing with dirty thoughts as we left the house. Luckily it was a sunny day and a warm breeze only heightened my passion as it wafted up my dress and licked at my naked pussy. We walked along the banks of the River Thames until we reached a quiet spot, then Carl stopped. "Show me your pussy, darling," he asked. "I want to see it." I hesitated for a second. Looking around, I could see the coast was clear except for a young guy who was sitting on a bench and facing the other way.

"Whatever you say, lover," I purred quietly, unbuttoning my dress, exposing first a long, slender leg and then my moist cunt.

"That's lovely, honey," panted Carl. "Now why don't you go and show that guy over there?" I was really getting off on this new buzz, the adrenaline was rushing and I think I'd have done anything Carl asked me to do.

Casually, I walked over to where he sat and, strolling onto a platform that overlooked the river and offered a higher vantage point, allowed my dress to part, my naked pussy clear to see.

The young guy looked up, his eyes growing wider as he took in the sight before him. I pretended not to notice him looking, and parted my legs still further. It was such an exciting feeling – I felt I had a powerful hold over this guy whose name I didn't even know. I couldn't resist looking at him, licking my lips and winking as I did so.

He didn't look away, but just stared like a hungry dog, a bulge visible in his jeans – I was making him hard! I plucked up the courage to go a step further and walked towards him. "My name is Julie," I purred. "That man over there is my boyfriend and he doesn't mind if I show you my naked body. Would you like to see it?"

It was clear he was a little nervous, but he obviously wasn't going to pass up an opportunity like this. "Can I see your bum?" he said. I stepped away from the pavement so that I was slightly hidden in case anyone came along, and then lifted my dress to one side. I have a shapely arse and his eyes lit up as saw it. I glanced towards Carl and he started nodding excitedly – it was obvious he wanted me to go a step further!

"Why don't you touch it?" I purred. His hands were all over me, first stroking my bum, then squeezing and pinching as he got more and more excited. Before I knew it, Carl was beside us, his hands inside my dress as he fondled my tits and then whispered in my ear.

"My boyfriend says you can stick your cock inside me if you want," I said to the young stranger, opening my legs for him. "He says he'll keep a look out."

We were taking quite a risk, I mean anyone could have come along the towpath at that point! By now though, I was out of control – I needed a dick up me, and I needed it badly. I heard the young guy unzip

his jeans, and as his stiff dick sprang into view, I climbed onto him, wrapping my legs around his waist.

"That's it, stick it in me," I said as I felt his fat cock-end nudging at my pussy hole. I eased myself down and impaled my wet cunt on his prick. I gasped as I felt his cock inch inside me slowly.

"Tell her she's a dirty bitch," groaned Carl who had his hands in his trousers and was wanking furiously.

"You are, you are a fucking... dirty... bitch," he gasped, pounding my cunt with each upward stroke.

This was, of course, just the kind of dirty talk guaranteed to get me turned on. In no time at all, I could feel an orgasm welling deep inside me, my nails digging into this stranger's neck as I tried not to cry out in frustration.

It was no good, I screamed out as I came, warm juices trickling out of my cunt and coating his balls. It wasn't long before he came too, and I tightened my cunt lips around his prick as he pumped me full of his seed. I heard Carl grunting and turned around to see him shoot his load, a smile spreading across his face.

After that, the three of us made ourselves presentable before anyone discovered us. I did up the buttons on my dress and the young man made his excuses and left.

When Carl and I got home, we were both rampant. He literally ripped my clothes off, threw me onto the bed and fucked me senseless! It was the most exciting and satisfying sex I've ever experienced.

We've both agreed to repeat the experience soon, but with a difference – I want to seduce a woman next time! When it happens, I'll write and tell you all the dirty details... – *Julie, London*

When it comes to sex, Lucy knows the score!

ball games

Whenever anyone meets me for the first time, they always assume that I'm really innocent – honestly, I'm not! I don't know where they get that impression from 'cos I'm probably the dirtiest 18-year-old in the world!

I guess it must have something to do with the way I look: I'm very slim with dark, shoulder-length hair and I'm told I have 'virtuous' hazel eyes (whatever the fuck that means!).

"I pulled my knickers to one side, showing off my closely-trimmed cunt"

Personally, I'm getting pissed off with everyone treating me like I'm a china doll, so I've decided to write into *Club* to set the record straight. Here is the naughtiest night I've ever had (and I think you'll agree it's pretty damn rude)...

It was back in June and was the evening England lost to Germany in the European Cup. I was with a bunch of about eight lads at a flat in Hexham. Everyone was on a real high until we lost, then the mood went completely sullen. I don't really give a shit about football, so I tried to cheer everybody up but nothing seemed to work. Then I had a naughty idea...

"It's only a game," I told them, switching off the telly and standing in the middle of the room. "There are more interesting things to get worked up about," I continued, untucking my shirt from my jeans.

"Oh yeah, like what?" said Mike, a good-looking lad in his late teens.

"Like me..." I purred innocently, unbuttoning my shirt.

In an instant, the mood changed – all the lads began to wolf-whistle and cheer. I glanced around the room, looking each fella in the eyes, then slowly pulled down my jeans to reveal my stripy pink panties. They all went wild! Well, what was I supposed to do? I could hardly let them down, could I? So next, off came my bra.

At the sight of my small, perfectly-formed tits, some of the guys started rubbing their crotches. I shivered in lustful anticipation – it looked as though I might just be having them all tonight! "Like my pussy, do you, boys?" I asked, pulling my knickers to one side and showing off my closely-trimmed cunt.

Hayden, a well-built 20-year-old, stood up. Everyone cheered. "Come on then, big lad, let's see what you've got for me," I said, peeling off my knickers and throwing them to the floor. Then, staring into his eyes, I unzipped his jeans and pulled out his cock. I wrapped my fingers around the shaft and started to wank him off as I looked around the room for more man-meat to get to grips with. Most of the guys had got into the spirit of things, and were either undressing or had their cocks out and were wanking.

I dropped to my knees whilst keeping a firm grip on Hayden's cock, then ran my tongue down the underside of his shaft and started nibbling his balls. "Aaaah, fantastic!" he grunted. "You beautiful little cocksucker."

Another guy, Pete, had now stripped off and was kneeling behind me. I felt his hands spreading my arse cheeks and he rubbed his fat cock around my pussy hole. "Stick it in me, baby," I drawled, arching my back and thrusting my arse out.

More blokes started stripping off and I felt another pair of hands running over my arse cheeks. "Go on Pete, give it to her," came a gruff voice (I think it was Mike). I braced myself as I felt his cock inching up my tight cunt and I had to grab onto Hayden's hips for support.

I began working on Hayden's cock like there was no tomorrow, my tongue flicking all around it, my head bobbing back and forth. It hardly came as a surprise to me when I felt his balls suddenly twitch, and a gush of sticky spunk pumped into my mouth. Gulping down every last drop, I drew my mouth from his prick, panting and ready for more!

My dark hair was ruffled, my lipstick was smeared all around my lips and spunk oozed from the corners of my mouth. Pete started fucking me faster now, his thick prick pumping in and

out of my tight hole. "I need more cock," I gasped. "Give me some more cock!" My filthy mouthing-off took its effect on Pete and he too shot his load, filling my cunny with spunk and causing me to shudder with my first orgasm of the night.

Hayden and Pete were replaced almost immediately – the lads were taking it in turns to satisfy me! I licked greedily as a fresh cock swung before my eager lips.

"In my mouth," I panted. "I want to taste some cock." I opened my mouth and enveloped the cock before me as I felt another cock probing my wet, aching hole at the other end. Within minutes there was a repeat of the first performance – my pussy and mouth filled with spurting spunk. Once again the two guys were replaced almost straight away.

This time they turned me over so that I was lying on my back with my arse raised in the air, in what I can only describe as the wheelbarrow position, and instead of having one dick swinging in my face, I had two! The two guys knelt either side of me, wanking themselves off and offering their pricks to my mouth as I alternately lapped at each of their bell-ends. It was incredible!

"This is so fucking horny," I wailed as I built up to yet another orgasm. "Come all over my face, spunk in my mouth!" I begged, my hands rubbing my own breasts as I looked down to see my pussy getting stretched and well-fucked by Steve. I gripped the carpet, my whole body bucking as I yelped in ecstasy. I watched as another guy stood over me and jacked himself off all over my tits, rubbing his spunk all around my nipples.

"That's it, spunk over me," I cried as everything became a blur of flesh, my eyes darting from cock to cock. Spunk was flying everywhere and I closed my eyes and opened my mouth as salty come splattered down on me like rain.

At that moment I came like I've never come before, my cunt grinding down on Steve's cock inside me.

I lay there panting as I massaged the sticky cream into my breasts and tummy, licking what I could from my mouth and face.

To end the evening, I led Hayden through to the bedroom for an extra special treat. "I've never been fucked up the bum before," I confessed, "and I'd like you to be my first."

I moved onto the bed and spread my arse cheeks so that Hayden could see my virgin bumhole waiting to be serviced. He didn't waste any time and was on the bed behind me in seconds, his hands spreading my arse cheeks wide. A wave of anticipation went through me as I felt his cock nudging against my ring-piece, then I braced myself as he pushed his cock inside me. The sensation was incredible. A cry escaped my lips and I buried my face in the pillow as he started to thoroughly roger my arsehole. "Oooh, faster!" I begged as he pounded his cock into me.

In the space of a couple of minutes I must have had three or four orgasms, each one getting more intense until I thought I'd faint with pleasure. "I'm coming," I shrieked. I felt Hayden thrust one final time and his prick delivered its load into my arse. Then we both fell forward onto the bed.

For days afterwards, the guys couldn't quite believe what had happened – I think they still saw me as a sweet, innocent girl, but I showed them the real me! So come on guys, get a grip and don't judge a book by its cover – unless, of course, it's *Club*! – *Lucy, Newcastle*

menage-a-trois

I'm a randy 20-year-old girl who is a regular reader of *Club*. On my student grant I sometimes have to starve to be able to buy a copy, but that's a small price to pay! I love the way you show women who aren't afraid to be sexy, and aren't afraid to demand what they want from sex. That's me all over! I'm especially turned on by the pics you show of girls just like me getting it on with each other. I love cock, but there's nothing quite like a juicy pussy grinding down on your mouth to make you come.

"I could see the dark stain of pussy juice spreading on her crotch"

A few months ago, I discovered that I was not going to be able to pay my rent if I didn't get a part-time job. I was desperately scrambling around to find something when a new sex shop opened up in town. Apart from being curious about the stuff they had in stock, I thought I'd go and see if there were any jobs going behind the counter.

I was in luck, because as soon as I walked in I could tell that the two girls working there were rushed off their feet. Caroline, the manageress, practically breathed a sigh of relief when I asked if she needed any staff.

"You're just what we're looking for," she grinned. "Do you know anything about sex aids?"

I told her that I did, but that at the moment I couldn't afford enough of them for my liking. She looked at my figure in my tight cycling shorts and top, and I felt a warm surge spreading through my pussy. "You're hired!" she told me.

Caroline was a very curvy brunette with a lovely bum, firm tits and a fondness for short skirts that displayed her black stockings and suspenders. After a week of working in the shop, I was fantasising about her every night, picturing her bending me over the counter and thrusting one of the shop's wide selection of dildos right into my dripping cunt. I must confess to trying out some of the merchandise when Caroline and her business partner Michelle (who's a long-legged honey-blonde, by the way) were out at lunch. I soon realised that they were more than just in business together though: they shared the flat above the shop, and a king-sized bed to boot.

Looking back, I think it was inevitable that I'd end up in a threesome with them, and the idea really turned me on. I was shaking with excitement the day I overheard them talking about how they wanted to get me into bed. "You know you fancy her," Michelle was saying to her girlfriend. "You can never resist a pretty blonde pussy. I bet she's a natural too!"

And so it just happened that evening that they invited me up to the flat for some drinks and to have a look at some of the new stock they'd ordered. "It's always best if we can find someone to test everything out properly, 'cos then we know that it all works."

Michelle started unpacking a few things from a pile of boxes, and took out a selection of different sized dildos. They were all knobbly for extra stimulation, and they were very long. "You could really get a good ride on one of these," she grinned, sucking one into her mouth. She did an impression of a really thorough blow-job, running her fingers up and down it and then rubbing it between her tits. She was soon stripped down to her pink lingerie and was lying on the bed, running the cream-coloured shaft between her legs and writhing around excitedly. I could see the dark stain of pussy juice spreading on her crotch, though she didn't seem too bothered that I was watching.

Caroline smiled her approval, and stripped down to some kinky purple undies with a split crotch through which her bush poked out, gleaming with droplets of love juice. She picked up a different dildo and unwrapped the packet, pulling out a shorter but more knobbly length with a thumb attachment. She sucked on that too, and lay down on the bed next to her girlfriend. I watched, fascinated, as they faced each other and sucked on their dildos, fondling each other all over, fingers and tongues probing under lingerie until they were both panting with pleasure.

"Mmm, you've got my cunt all sticky, darling," Caroline said, as she eased Michelle's panties down to her ankles. Michelle spread her legs wide and breathed a sigh of relief as Caroline knelt between her open thighs and began to lap energetically at her oozing pussy. It was only a couple of minutes before Michelle groaned that she was coming and she thrashed about like mad with her hair flailing wildly. I was blushing with excitement at being able to watch the pair of them at it, and also I felt a little embarrassed at being the only one in the room with my clothes on.

As if she'd read my mind, Caroline looked up and me and smiled, her chin dripping with Michelle's cream. "It's about time you got those off and came to join us," she said, motioning towards the big bed. "It's much more fun over here."

In seconds I stripped down to my white stockings and suspenders, showing off my firm, tanned figure. I could see Caroline staring lustfully at me as I walked to the bed, looking as if she wanted to rip even these last bits of clothing off me. She reached over to the boxes and pulled out a brand new dildo just for me. "We've been fantasising

about getting you into bed with us like this, haven't we, darling?" she smiled over at her girlfriend. Michelle just grinned, her fingers splaying her cunt lips apart while she brandished her thick dildo with the other hand. I knelt on the bed next to her and watched, fascinated, as she gradually eased the fat length inside her sticky pussy.

"I watched, fascinated, as she gradually eased the fat length inside her pussy"

I lay down on the bed next to Michelle and watched as she fucked herself harder and harder with the thick length of plastic. Caroline brandished the new one she'd got out for me, running it down my body from my chin right down between my tits and down to my white panties. I was trembling, I was so turned on, and when she dragged the tip of the dildo over my hot mound I felt a rush of juices to my cunt and I couldn't stop my fingers from sliding inside the sodden material and on to my aching clitty.

I frigged myself hard, my fingers slipping in and out of my cunt hole too fast because I couldn't control myself. Caroline could see that I was getting seriously worked up, and while she kept an eye on her girlfriend's handiwork with her own dildo, she pushed my hands away and eased a new dildo inside my swollen cunt.

I moaned with pleasure as she began to fuck me with it, barely noticing that Michelle was climaxing as she watched the pair of us going at it. After that, I lost sight of what she was doing as Caroline's hands worked their magic with the length of plastic, and I came wildly, thrashing so hard I almost knocked Caroline off the bed! It took me a few minutes to recover, but she didn't need any rest, she dived straight down and began to lick my cunt clean, scooping up all the juices with her tongue and swallowing them down noisily.

"Oooh, you just love eating pussy, don't you, darling?" I heard Michelle purr, but I had my eyes closed so I couldn't see where she was. All I felt was the movement of the bed as she climbed back on, but I could tell that she was behind Caroline. I opened my eyes to an amazing sight. Michelle had got out another dildo, but this was no ordinary sex toy. It was a huge black thing, ridged all the way along and attached to a strap which Michelle had fastened around her waist. It made her look like she had a huge hard-on, and Caroline smiled as Michelle bent her forward so that her arse was in the air, then pushed the dildo into her cunt doggy-style.

Caroline sighed with delight as Michelle rocked her hips and circled the dildo inside her lover. "Put your finger in my cunt too, darling," she whispered. "You know I love it."

Michelle did as she was asked, and although I couldn't see, I could tell from the look on Caroline's face that she could feel her pussy hole clenched around a dildo and a long, delicate finger. She was being really satisfied, and by the way she was shaking it was giving her orgasms like she'd never had before. She was murmuring about how good it was to have me watching her being fucked too, how horny and dirty she felt being caught in the middle of the pair of us.

Of course, that set me off again and I grabbed the dildo from her trembling fingers and finished myself off with a rough shafting from it. As soon as I'd come and it was really juiced-up, I shifted my position underneath Caroline and reached around to ease the dildo into my pussy.

I must confess it was a real turn-on being watched, which made me all the more randy and uninhibited. My tight cunt clamped around the fake cock easily, and because the dildo was so juiced-up I felt nothing but intense waves of pleasure spreading through my body. I came twice, both times getting out of breath as the juices just kept flooding out of me. I opened my eyes to find Michelle kneeling between my legs and taking the dildo out of my hands to use it on herself, while she bent her head and begin to eat out my soaking wet pussy.

If anything, Michelle was even more of an expert at giving head than her girlfriend. She really made the most of her long, slender tongue, gripping my thighs with her fingers as she probed as far up me as she could. Wow! I felt every inch of her delicate tongue circling inside me and all I could do was moan and thrash about as I felt her finger inside me from behind too. Caroline was watching everything and wanking herself like mad. She said she wished that she'd had a camera with her so she could take some polaroids for their special collection.

I came again and then we all swapped positions, with me getting to use yet another dildo – this time a hugely fat one which I doubted she could take up her cunt – on Michelle, while Caroline ate my pussy out from behind.

By the time we'd tried every possible pussy combination, it was three in the morning and we were all completely exhausted and covered in sticky pussy juices. My cunt was aching from all the dildos that had been shoved up me – I could barely walk for a week, but I wasn't complaining about it! None of us could sleep after that, so we wound down by reading out stories from some of Caroline and Tracy's collection of favourite sex mags – including *Club*, of course.

What a night! I don't remember ever being so turned on as I was in bed with that horny pair, and suddenly normal sex just doesn't seem exciting enough for me. Our menage-a-trois has carried on since then, and I'm still working at the shop too – only now, the three of us try out the merchandise on a much more regular basis! As I write this I am on my break from the counter, with a pair of silver Chinese love eggs moving about inside my cunt which were put in there by Michelle this morning in the stock room. I keep having to dash to the loo for a quick wank. Hope my confession has the same effect on all your readers! – *Allie, South Yorkshire* ♣

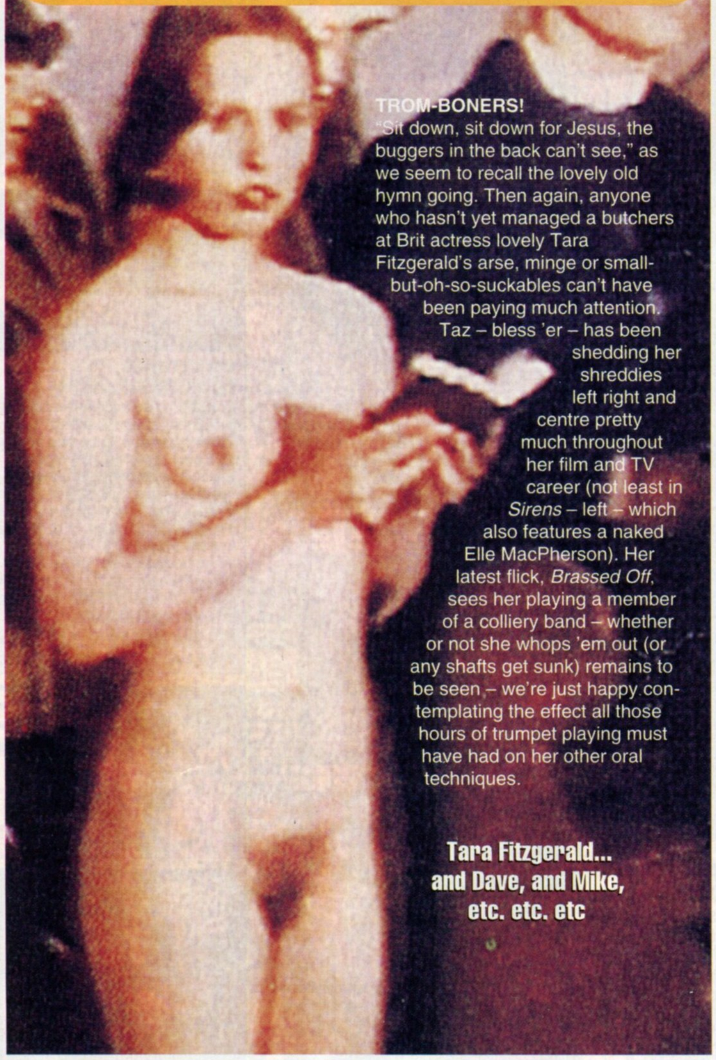
pornorama

Where were you when they were getting high? The month in naughty pictures, drunken girls and nude actresses. Blimey!



TROM-BONERS!

"Sit down, sit down for Jesus, the buggers in the back can't see," as we seem to recall the lovely old hymn going. Then again, anyone who hasn't yet managed a butchers at Brit actress lovely Tara Fitzgerald's arse, minge or small-but-oh-so-suckables can't have been paying much attention. Taz – bless 'er – has been shedding her shreddies left right and centre pretty much throughout her film and TV career (not least in *Sirens* – left – which also features a naked Elle MacPherson). Her latest flick, *Brassed Off*, sees her playing a member of a colliery band – whether or not she whops 'em out (or any shafts get sunk) remains to be seen – we're just happy contemplating the effect all those hours of trumpet playing must have had on her other oral techniques.

Tara Fitzgerald... and Dave, and Mike, etc. etc. etc

Eau shit: Bottled water and ice cubes is hardly rock and roll, Leah

WOOD IF WE COULD

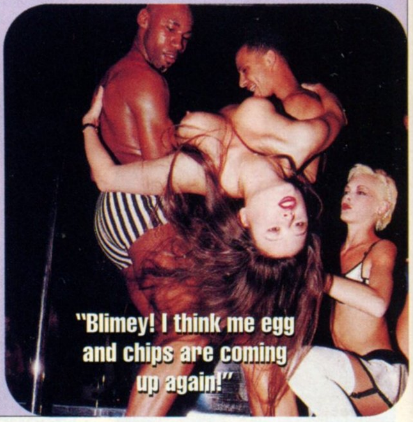
If your papa's a Rolling Stone, behaving like a drunken nutter and falling around the pavement in the early hours with your legs akimbo is the least that is expected of you. The girl in question is Leah Woods (*above*), Leah's dad is Stones guitarist Ronnie Woods and the occasion was her 18th birthday bash at London's Browns nightclub. Apparently money was no object and the bash cost Ronnie about a billionth of a year's royalties – that's £50,000 for all the Evian and ice cubes Leah and her mates could neck. Sounds like a good deal.

JUGS OUT FOR JACK!

Christine Salata (the one with her tits out), was the 'star' of that long-running West End smash, *Voyeurz*, and it seems that ever since it finished she just can't get the hang of wearing clothes again. Not that we object. Afterall, it's perfectly natural. But if you're lucky enough to bump into her, don't bother to chat her up unless you're old and rich with a big fat gut (like Jack Nicholson, who was shagging her while she was in the show), or old and rich with a big fat hairstyle (like Peter Stringfellow who she was shagging before the show).

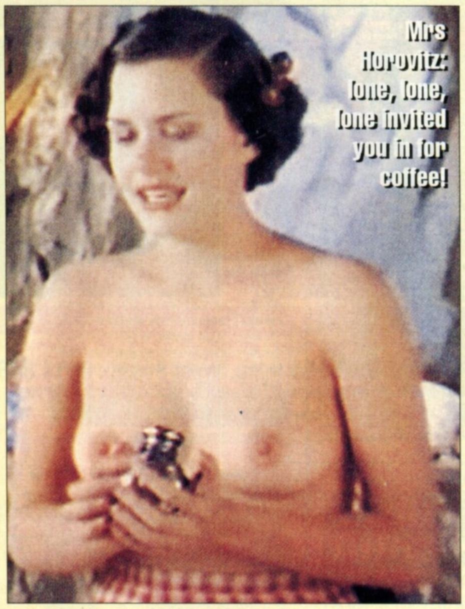
DYKES YOU LIKE (PROBABLY)

This scene was hand-picked by Club's Production Ed, Rich Guy, from a new sex vid called *Dyke Manor*. And that is as much as we know about it 'cos Mr Guy has fucked off to America for three weeks. Strangely enough, the video is missing too...



"Blimey! I think me egg and chips are coming up again!"

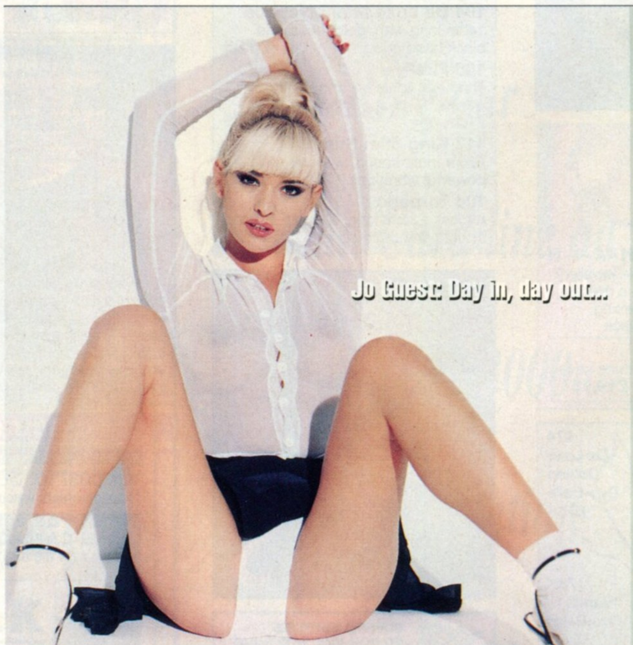
IONE SKYE OF THE MONTH



Mrs Horovitz: Ione, Ione, Ione invited you in for coffee!

BLUE SKYE

We're buggered if we know why film critics insist on judging movies on things like merit (yawn!), but here, in case you're still convinced that the abysmal *Four Rooms* didn't have its good points, are Ione Skye – 'er indoors to legendary Beastie Boy (and fucking lucky bastard!) Adam Horovitz – and her gabonzahs. Nuff said. Said barmcakes also feature prominently in *The Rachel Papers* and were suckled by shrunken Red Hot Chili Peppers on the sleeve of their *Mother's Milk* album. Well, I never knew that!



Jo Guest: Day in, day out...

GET JO GUEST EVERY DAY

In a return to the good old days of grubby pin-up calendars on garage walls, Orange Distribution have brought out *A Date With Jo Guest Calendar 1997*. But don't let the dreadful title put you off – the ever-popular Jo, who incidentally made her nude debut in the pages of Club, looks as sexy as usual and is sure to brighten up your days and ensure you get lots of embarrassing hard-ons in front of your work mates.

SIX APPEAL

Not having seen Spike Lee's new film, *Girl Six* (out now on video), we're not really in a position to recommend it. But who needs to see it to say good things about it when we know that *Girl Six* stars Theresa Randle, the beauty in the pictures with the fully operational funbags? Not us, we're happy to recommend it on the strength of those lils alone, in fact we will.

As far as we know, the film is all about girls who talk dirty on those phone sex lines. However, the pictures above are taken from a scene in the film where Theresa is auditioning for a part in a new film, the director of which is played by king of guns and gore, Quentin Tarantino. Surprisingly, instead of getting her to wave a couple of uzis around and torture the tea-boy to land her big part, Tarantino's sleazy character wisely instructs her to get her tits out instead – a much better option.

The game Miss Randle wastes no time in complying with these instructions, and as a result we are treated to a splendid top-half strip, an all-angles viewing of one of the finest pair of tits ever to grace a Forty Acres and a Mule Production.

Nice one, Spike.

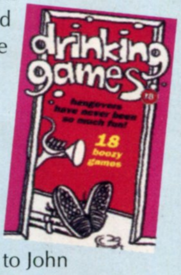
CHEERS MATE, THANKS A LOT

People barely worth a mention this month are

Technics for sending us a load of bumph on their **SATX50 Home THX Receiver for Digital Multichannel**. If you've bothered reading this far, you probably know exactly what it's for and how to ask for one without gobbing on the sales assistant.

Souvenir Press for the copy of Jean-Luc Henning's book of bums, **The Rear View**. Good crack!

Another good crack is the **Drinking Games** video, featuring such recreational delights as Dip Your Sponge and Good Girls Swallow. (And there we were thinking they gargled *Football's Coming Home* in three-part harmony...)



And finally to John Wayne Bobbit who hung out (thanks to the miracles of modern surgery) with Club's sad drunken staff at the launch party for his **Uncut** video. Apparently he was half cut, himself... ♣

ally

When we first met 18-year-old lust kitten Ally, she seemed so shy and innocent that we almost didn't like to ask her to take her clothes off (although that didn't stop us of course). However, we soon realised that it was just an act, when she confessed to us that her nickname is 'Back Alley Ally', as "Every time I go clubbing, I end up in the alley behind the club with some bloke, getting up to no good."

Blimey, for a moment there we thought it was for a very different reason,

garish red lipstick. She seemed to sense just when I was about to come, suddenly stopping and rising to her feet.

"Get out of your clothes," she purred. "It's time you put that lovely cock of yours up my arse." I'd never known a girl to be so candid about sex, and it was a real turn-on.

I stripped off and she told me to lie on my back on the floor. As I did, she squatted above me and slowly lowered herself down onto my prick. She bit down on her lip as her tight arsehole enveloped my cock. As she started bobbing up and down, I reached up to her gorgeous boobs and rolled her nipples between my fingertips, feeling them harden under my touch.

The way she was throwing her head around was a joy to watch. This wasn't slow, sensual love-making – this was a hard, fast fuck and I speeded up the pace as Louisa told me she was about to come. My arse was a blur as I thrust upwards, and I could feel her muscles contracting around my cock as she came. I gasped as I shot my load and we both fell silent, our bodies entwined.

We lay there for a while before Louisa said, "It's a good idea you made yourself scarce. My bloke will be back soon."

No wonder she was in such a hurry! She confessed that she always wanted to try anal sex, but that her boyfriend wasn't keen on the idea – I'm just glad I was able to help! I quickly got dressed and Louisa gave me a big kiss and stuffed her knickers in my pocket. "A present," she whispered. I've never met Louisa again, but at least I still have her panties to remind me of her. – *Gary, Edinburgh*

TOP OF THE POPPYS

Thanks again for another amazing mag. It's not just men who read Club you know, so from one of your biggest female fans here's a big sloppy kiss to Poppy who I have fallen madly in love with.

Not that I'm a lesbian. It's just that I appreciate a good fuck no matter where it comes from. I'm 28 now and have been bisexual since I had my first crush on another girl at school. I'd love to lay Poppy on her back on my bed, licking and caressing my way up the insides of her lovely long legs (they're just like mine, actually) until I reach her pristine white panties. Two of my boyfriends would be there too, one offering his cock for Poppy to suck on while another teased me from pussy to arsehole with his meat from behind. Then I would pull Poppy's pats to one side and lick her pussy, teasing her clit with my teeth and probing her slit with my fingers and her arsehole with my thumb until she came. Hopefully she'd get a mouthful of spunk at the same time but I wouldn't want her to swallow because I'd want to kiss her deep and suck it out of her mouth while she tasted her own pussy juices on my lips!

My pussy is always ready for you Poppy, I desperately want yours! – *Tina, Lincs* ♣

A FREE BOTTLE OF CHAMPAGNE FOR EVERY SEXY LETTER USED!

Dear Meerkat

If you've got a flea in your ear or a bee in your bonnet, why not drop a line to our trouble-shooting meerkat. He's here to help, you know...

CAN'T BEAT MEAT

Dear Meerkat,
I've recently been suffering from a very embarrassing problem. Can you give me some advice? – *Paul, Southend*

It's a pleasure to help, Paul. When buying fresh meat at the supermarket, always select items from the bottom of the pile as they put the older stuff on top. Hope that helps...

LATE DELIVERY

Deer Meerkat,
I am a self-employed businessman and I am having lots of trouble with slow-paying customers. How would you go about encouraging people to settle on time? – *Percy, Stoke*

Late payment of invoices can be a nightmare for the small company, Percy. Obviously there are a number of legal institutions such as the Small Claims Court which are there to help you reclaim any money or goods owed. But personally I'd recommend going round the debtor's house late at night and shitting through the letterbox. It won't get the money out of them any quicker but it should make you feel a whole lot better.

GOOD TO TALK

Dear Meerkat,
My girlfriend complains that I can never satisfy her orally. I just don't understand it – I could talk the hind legs off a donkey. Any suggestions? – *Alan, Jedburgh*

I think your partner is expecting you to do something other than just talk with your mouth, Alan. Ask right out what she's after and then get back to me...

WANKER

Dear Meerkat,
Every time I go for a piss, I get this sticky white discharge coming out of the end of my cock after I've finished. What's wrong with me? – *Lee, Tunbridge Wells*

One or two shakes of your penis after you've finished urinating is usually sufficient to get rid of any annoying drips. Don't spend so much time shaking your cock and this discharge should miraculously clear up.

SPOOKY

Dear Meerkat,
There's this girl I really fancy, but I just don't know how to approach her. You see, I died six years ago in a collision during the finals of a greasy pig riding competition. As a result I have no presence in the physical world – and therefore no way of letting this girl know of my existence, or rather, non-existence. – *Deceased, Shrewsbury*

Haven't you seen Ghost, my dear Deceased? All you have to do is find a willing, sexy, big-busted clairvoyant, inhabit her body and go round there and have a sexy all-girl clinch with your beloved. Honestly, what's wrong with the dead these days? They don't know they're born...

NO TITS

Dear Meerkat,
I'm sure there's something wrong with me. I'm 20 years old and still haven't reached puberty yet. Every morning I wake up, check myself for signs of development, but I still haven't grown tits or started my periods yet. I'm getting desperate, is there any advice you can offer me? - *Mark, Bexley*

I don't know how to break this to you, Mark. You're a bloke, you're not meant to have tits. Just think what would happen if men grew breasts, they'd just stay indoors playing with them all day. Nothing would get done, civilisation as we know it would grind to a halt. Frightening.

WHOPPER

Dear Meerkat,
How big does your cock have to be before it's classed as a 'whopper'? You see, mine is no bigger than your average silver-fish – does it count? – *Alan, Streatham*

Size isn't everything, Big Al. I myself only have a penis that is three quarters of an inch long, but in the meerkat world that makes me hung like a ring-tailed lemur!

PHONE SEX

Dear Meerkat,
I'm really turned on by telephone sex, but even with the new slim-line models from BT, I find it very difficult to get the whole receiver up my arse. Please help. – *Ian, Liverpool*

I'm not quite sure how to help you, mate, but I have noticed that Orange do a 'Hands Free' set if that's any help...

JOHN INMAN

Dear Meerkat,
What on earth is so good about John Inman? He has been appearing on British television since I was a child, but to my knowledge has done nothing of any significance since *Are You Being Served*, apart from a brief cameo appearance on The Generation Game a few months ago when he didn't even say 'I'm free!'. – *Rob, Carlisle*

I'm sorry, Rob, but no one here said John Inman was funny. You've come to the wrong place, mate. Try an old people's home in Torquay.

FRUITCAKE

Dear Meerkat,
I eat fish mostly, and sometimes I forget to breathe... – *Elvis, Broadmoor*

Just keep taking those pills, Elvis, old boy.

CAN'T LIVE

Dear Meerkat,
I can't live without you. I can't smile without you. No I can't laugh and I can't sing. I'm finding it hard to do anything... – *Harry*

Very flattering, but aren't you dead, mate?

Your missus fucked off? Problems with your boss? Little white spots on the shaft of your penis that no matter how hard you squeeze never seem to... Erm, whatever your problem, drop a line to Dear Meerkat, 2 Archer Street, London W1V 8JJ. We regret that the Meerkat cannot enter into personal correspondence, although we can assure you that he does read every single letter. Really.
